

Bridges Accelerated Learning Center

Continue to implement and evaluate a comprehensive and strategic plan to significantly increase the quality of the district's advanced academics program [Superintendent Objective 2] by actively identifying and removing barriers that limit access to and opportunity for learning so that the percentage of graduates that meet the criteria for CCMR (Accountability) will increase from 23% to 95% by August 2024 for all demographic groups while also meeting annual targets for each demographic group (TEA HB 3/CCMR Requirement).

CCMR Targeted Professional Development Plan

Bridges will begin the initial steps towards becoming an AVID campus including training for all staff. Counseling staff will be trained on using the TEA CCMR tracker to monitor each student's progress towards earning a CCMR measure. Bridges staff will need training on how to support students on the TSI/PSAT/SAT/ASVAB. Bridges students will have the opportunity to take the ASVAB at school and the TSI will be arranged for students.
