***Masks will be optional beginning March 7<sup>th</sup> in our schools and on school buses.***

Dear South Brunswick Community,

Beginning Monday, March 7th, the South Brunswick School District will move the wearing of masks from mandatory to optional. Also, the Federal guidelines have also changed as masking relates to school buses and also as of March 7th, masks will be optional on school buses as well.

Please know that more specifics on COVID protocols and masking will be distributed later in the week, but again, our mask optional status in schools and on buses will begin on Monday, March 7, 2022.

Sincerely,

A handwritten signature in black ink, consisting of a series of loops and a horizontal line extending to the right.
