

Indian Fields Summer Newsletter

A Summer 2021 Parent Update

Dear Indian Fields Families,

The 2021-22 school year is upon us. The Indian Fields staff is ready and prepared to make this school year the best learning experience possible for our students.

Your child is part of the Indian Fields family, home of the Hawks. We take pride in knowing and promoting each child's strengths, interests, personality and areas for growth. We know that when students are excited about their learning experience, success follows. At the same time, we recognize there will be challenges throughout the school year. Together, with support, and fueled by grit and determination, we will help each student experience the excitement of success. We also understand there are times that your child or family may experience difficulties. We are here to provide additional support here at school, if necessary. We also understand that you are not always able to share all the details when issues arise. If your child is coming to school after a difficult night, morning, or weekend, please just reach out. This will help us support you or your child, even if it is just to know that your child may need extra time, patience, or help during the day.

Two-way communication between our school and your home enhances your child's educational experiences. We strive to maintain open lines of communication. Please do not hesitate to reach out to us with any questions, concerns, or comments. Follow us on Facebook @sbsdif and Instagram @indianfieldshawks to stay up to date with events, view pictures/videos, and other school related items. Most importantly, always make sure your contact information in Genesis is up-to-date so you receive necessary and timely communication.

We will do all we can to make this year as successful and healthy an experience as we can. We look forward to meeting the challenges and expectations of this school year.

Sincerely,
Peter Rattien, Principal

Important Information

9/2 - Open House & Popsicles on the Playground → 5:30 - 7:00 PM.

9/9 - First Day of School

How to Contact the School:

- If you need to contact your child's teacher, email is the most effective way. You can find their email addresses [online here](#).
- To contact the school via phone, dial: 732-329-1043

PTO News:

- Please join the [PTO Facebook](#) page so you can stay up-to-date on social events and activities.
- If you have questions about how to support and get involved, please email: pto.if@sbparents.org

Does Your Child...

- Know how they are getting to and from school each day?
- Know their bus number and where their bus stop is?
- Know their teacher's name?
- Know who a trusted adult is that may pick them up or be available in an emergency?
- In grade 2-5, have a laptop to bring to school each day?
