Out of District Student Application

The 2021 Summer Institute will begin on Monday June 28th and courses will follow the schedule below.

6-week session: June 28th to August 6th.
3-week session I: June 28th to July 16th
3-week session II: July 19th to August 6th.

Due to the impact of COVID 19, Summer Institute classes may take place virtually. A final decision as to the format of the program (in class or remote) will be made by June 1st.

Enrollment for out of district students will open on March 1. Out of district students must download a paper application and mail it to South Brunswick high school with a check for the appropriate course fees.

Course Prerequisites: Students must meet all grade level and prerequisites in order to register for Summer Institute courses. Failure to meet course prerequisites or the reporting of inaccurate prerequisite information by enrollees will result in withdrawal from Summer Institute courses. All prerequisite information is listed in the Summer Institute course booklet.

Fees and Registration for Out-of-District Residents: For students who reside outside of the South Brunswick School District, the application and course descriptions can be located on the Summer Institute webpage. Families may print and complete the application and mail it with payment by check addressed to South Brunswick High School. (Mailing address: Attention Head of School, SBHS Summer Institute, 750 Ridge Road, Monmouth Junction, NJ 08852.) Checks payable to South Brunswick Board of Education.

Option II Credit: specific Summer Institute courses for advancement are available for credit. SBHS students will automatically receive Option II credit on their transcripts that will apply toward graduation credit, providing students fulfill all course requirements

The Institute is open to students both inside and outside of the South Brunswick School District. Enrollment is limited and courses will be filled on a “first come, first served” basis. Courses must have at least 12 students in order to run.

Workload: In addition to completing all classwork students will be required to complete assigned homework. This will include studying for tests, practice problems, textbook reading and the preparation of lab reports and/or assignments.

Transportation: Families are responsible for transportation to and from the Institute, which is held at South Brunswick High School.

Attendance and Course Grading: Each course/grade is recorded on the transcript but not included in a student’s GPA. Attendance during the Summer Institute carries the same weight as it does during the school year. A full year course permits two days of absence; a semester course permits one day.
