Dear Class of 2024,

With great enthusiasm, I welcome you to the start of your sophomore year, and for many, it is a welcome to the building for the first time. I am very privileged to continue working alongside you as your Assistant Principal during this critical time in your educational career. I also feel honored to work with our highly qualified and dedicated staff, outstanding students, and supportive parent community.

I encourage you to connect with our broader school community by engaging in activities, clubs, and athletics. These connections are essential as we transition from a year and a half of remote learning to in-person learning. Our high school offers tremendous opportunities to get involved, so take advantage of them!

School will begin for all students at 7:30 A.M. on Thursday, September 9th. Please note that this is a full day of school (it will be an “A” Day), including lunch in the cafeteria. Please report to your assigned orientation room on the first day of school. On that morning, you'll receive your student ID and know that it is required that you have it with you for arrival and throughout the school day. Until further notice, masks are required on the busses and while in the building.

Enjoy the remaining days of summer. I look forward to seeing you all on Thursday, September 9th.

Sincerely,

Mr. Brian McManus
Assistant Principal for the Class of 2024

Mission Statement: The South Brunswick High School community values academic excellence, diversity, and a safe learning environment. The school empowers students to develop skills and character as they explore their talents and interests in order to become informed citizens and leaders in the global community.
