During the week of April 20th - April 24th, the Class of 2016 Class Council of South Brunswick High School promoted and encouraged other members of the community to donate and support its Krayons for Kids fundraiser.

The mission of this fundraiser was to collect new crayons and coloring books for children in the Bristol-Myers Squibb Children’s Hospital. The fundraiser ran in concurrence with the South Brunswick School District Art Show, so while the members of our community admired our students’ art they could also give back to other children who need art in their life. The gift of art is treasured in the hospital as it provides distraction and joy to the children while they receive treatment.

After collecting and counting all of the generous donations, we were shocked and overjoyed to discover that our community donated over 140 crayon boxes and over eighty coloring books. We are so thankful for all the donations and so proud that we will be able to give such a great amount to the hospital. Thank you to everybody who donated and who spread the word! Please know that your donations will bring great happiness to a child and will play an important role in his or her recovery.

Although the Krayons for Kids fundraiser has ended, please do not hesitate to donate crayons and/or coloring books to Bristol-Myers Squibb Children’s Hospital, a great facility that strives to make treatment as positive as possible both for the children and for their families.

The summer reading and writing assignments for English courses along with reviews of the assigned titles are posted on the library wiki page [http://sbhslibrarywiki.wikispaces.com](http://sbhslibrarywiki.wikispaces.com). Each title is annotated with a review to help our students make informed reading choices. Library copies of the titles are available for summer checkout beginning on Friday, June 12th.

**Beyond Required Reading**

Do you want to get your teen reading, but aren’t sure where to begin? [Reading is Fundamental](http://www.rif.org/us/literacy-resources/articles/teenagers-and-reading.htm), a non-profit literacy organization, offers parents a variety of strategies to encourage reading. For book suggestions visit [TeenReads.com](http://www.teenreads.com)!

[Teen Reads](http://www.teenreads.com) features book reviews, author interviews, and topical book lists. Select a title to read and discuss together for the ultimate summer reading group! Looking for the next great book? Check out the Book Concierge from National Public Radio [http://apps.npr.org/best-books-2014/]. By selecting likes and interests, the concierge presents the best matches from the previous year’s best books. As author Kate DiCamillo says "Reading should not be presented to children as a chore or duty. It should be offered to them as a precious gift." What better way to show the importance of reading then to share a great book together?

---

**Escape the Ordinary @ South Brunswick Public Library**

This summer the South Brunswick Public Library (SBPL) is challenging our teens to “Escape the Ordinary” [http://www.sbpl.info/teens/summer-reading/]. Beginning June 15th, teens can register online. For each book read, participants receive a small prize and will be entered to win gift cards to popular retailers like Rita’s, Dunkin Donuts, Regal Cinemas, and Barnes and Noble. One grand prize reader will receive a $75 Amazon gift card.

Recent studies show that children are more likely to become lifelong readers when they see their parents reading. This summer, the SBPL will encourage parents to “Celebrate Our Heroes” [http://www.sbpl.info/adults/summer-read-adults/] by reading biographies that highlight heroes of the past and present. Visit the South Brunswick Public Library website [http://www.sbpl.info/] to find out more about the many activities and programs that the library offers to our families. The summer reading program runs until August 16th.

**Summer Reading Resources**

The summer reading and writing assignments for English courses along with reviews of the assigned titles are posted on the library wiki page [http://sbhslibrarywiki.wikispaces.com](http://sbhslibrarywiki.wikispaces.com). Each title is annotated with a review to help our students make informed reading choices. Library copies of the titles are available for summer checkout beginning on Friday, June 12th.

**Escape the Ordinary: Summer Reading Resources from the SBHS Library**
Attention Class of 2016

Senior Portrait Information

Senior Portraits will be held here at the school throughout the months of June, July, August, and September. All members of the Class of 2016 will be given information regarding specific dates and requirements in their English class. STUDENTS MUST CONFIRM, CANCEL, OR RESCHEDULE THEIR APPOINTMENT ONLINE AT PHOTOAPPOINTMENT.COM. If students do not have their portrait taken by September 22nd, they will not be included in the yearbook. Appointments for June and each student’s confirmation code will be posted outside room D200 once they are available.

Senior Dedications

Each senior will be given information regarding Senior Dedications and an order form in his/her English class. Order forms for 2016 Senior Dedications will also be available at mslehre.weebly.com beginning in July. Information will not be mailed to homes this year. Please read/download instructions, requirements, and the order form if you are interested in purchasing a dedication for your member of the class of 2016. Eighth of a page dedications cost $65; Quarter page dedications cost $115; half page dedications cost $200. All orders are due on October 2, 2015.

TSA Students attend NJ Conference

Saturday, May 2nd students from the Technology Student Association attended the annual NJ TSA Conference and Competition at TCNJ with Advisors, Mrs. Sokol and Mrs. Sokol-Orlando. Students competed in 4 different events. Rachel Allen, Alina Peng, Sonia Perez, and Hannah Lu all took 3rd place in Fashion Design. Nicole Bansal, Jennifer Borke, Shweta Dutta, Raymond Kwong, Kyle Ferry, and Paulo Serodio all took 3rd place in Architectural Renovation. Others in attendance were Annie Youseff, Joseph Caputo, JT Collins, Anuradha Kadam, Rebecca Ricciardo, Josh Payyappilly, and Julia Duarte. It was a super day!

She’s the First

The SBHS chapter of She’s The First (STF) was founded 3 years ago; however, this year it was a sub-group under Viking Volunteers. STF*{SBHS} raised money for the organization through multiple bake sales and events. Our mission was not only to help sponsor girls’ education in developing countries, but also to raise awareness about the lack of education for girls and gender inequality issues around the world and in our community.

In addition to our bake sales, we partnered with the SBHS chapter of Model UN and The South Brunswick Commission on Women to screen Girl Rising, a documentary on the challenges nine girls around the world faced in order to get an education and follow their dreams. We also represented our STF chapter at this year’s Women’s Leadership Conference. Not only were we able to support SBHS alumnus Tammy Tibbetts, founder and President of She’s The First, who spoke at the conference, but we also raised awareness about STF and its cause.

We are happy that we were successful in raising awareness about the organization in our community and received donations from the Asian Club and Charity Crafts. We have raised over $500 for STF and will continue to raise more as we host our last event, STF*{SBHS} Cupcake Wars and Movie Night. We will also be hosting Women’s Week, which is a week of movie nights to raise awareness about women who were the first to achieve a significant accomplishment in their field.

Yearbook Distribution

Pre-ordered 2015 Yearbooks will be distributed on Thursday, June 4th outside the writing lab from 8:00 a.m. until 2:45 p.m.

There are a LIMITED number of surplus yearbooks available for purchase at the cost of $100 cash. Please e-mail the adviser at Anna Lehre@sbschools.org to be placed on the waiting list if interested.
Summer is here and so are the AP assignments!!

Please remind your children to pick up their summer assignments from their AP teachers.

All students registered in an AP class for the 2015-2016 school year are required to complete a summer AP assignment by their appropriate due date.

### Science Olympiad team has their best year ever...

Congratulations to all of the Science League team members on another successful year. With 52 students participating at SBHS, 29 students will receive certificates from the New Jersey Science League for participating in at least three of the four tests given in 2015, January through April. In the team competitions, three SBHS teams finished 5th in the state, earning team plaques: Chemistry II (consisting of students from AP Chemistry), AP Environmental Science, and Physics II (consisting of students from the new AP Physics 1 class). Four students will receive plaques for their performance as individuals, scoring in the top 10% of all certificate winners in their subject area. These students include Paulo Serodio (Biology I), Aranya Swaminathan and Saket Shah (Chemistry II) and Andrew Leung (Physics II).

### Athletic Happenings...

The Softball Team was a Greater Middlesex Conference Tournament semi – finalist. This is the first time in program history. They had an exciting year with a winning record of 17-8. This is the most program wins since 2006.

The Girls’ Spring Track team had an outstanding season. They were Jersey Group IV Champions, GMC Champions (10th straight year), GMC Relays Champions (10th straight year) and Red Division Champions (9th straight year).

The Boys’ Spring Track Team also had a great season. They were GMC Red Division Champions, GMC Relays Championships, GMC Individual Championships, and took 2nd Place as Central Jersey Group IV Championships.

REMINDER: FALL SPORTS PHYSICALS MUST BE HANDED IN NOW. Please hand in physicals prior to the July 15th deadline. Physical Forms can be found online at http://www.sbschools.org/schools/sbhs/athletics/physicals.php.

#### Tryout Dates

**Fall Season 2015**
- Girls’ Tennis - 8/10/15
- Football - 8/10/15
- Cross Country - 8/10/15
- Field Hockey - 8/11/15
- Gymnastics - 8/13/15
- Boys’ Soccer - 8/10/15
- Girls’ Soccer - 8/10/15
- Girls’ Volleyball - 8/10/15
- Marching Band - 8/10/15

**Winter Season 2015-2016**
- Boys’/Girls’ Swimming - 11/15/15
- Ice Hockey - 11/9/15
- Bowling - 11/15/15
- Boys’/Girls’ Basketball - 11/23/15
- Wrestling - 11/23/15
- Cheerleading (November - T/B/A) Track - 11/23/15
- Winter Guard - 11/15/15

**Spring Season 2016**
- Softball - 3/4/16
- Baseball - 3/4/16
- Girls’ Lacrosse - 3/4/16
- Boys’ Lacrosse - 3/4/16
- Girls’ Golf - 3/4/16
- Boys’ Golf - 3/4/16
- Boys’ Tennis - 3/4/16
- Track - 3/4/16
- Boys’ Volleyball - 3/4/16
As another school year comes to a close and the SBHS community prepares to send a new class of graduates on to the next stop of their life’s journey, the PTO is also preparing to say goodbye to two of our Executive Board members.

Roelie Abdi has been an Executive Board member for the past 3 years, serving as Vice President and the head of our Scholarship Committee. We thank Roelie for her service to the students and staff of SBHS and wish her son success as he heads off to Cornell University.

After attending monthly meetings last year on a regular basis, Sonia Barrood joined the Executive Board this year. She also began working as a teacher in the Freehold School District this school year which has been very rewarding. We also thank Sonia for her time and commitment to the students and staff at SBHS.

The PTO is happy to once again be awarding multiple graduating seniors $500 scholarships this year. This is only possible through your support and membership. Speaking of membership, we are in the process of exploring new, easier online PTO membership registration which will hopefully begin in September. Please watch for information regarding membership in late August. Remember, your family must be PTO members for the entire time your child is a student at SBHS in order to be eligible for one of our scholarships in their senior year.

Finally, I’d like to congratulate all of our graduating seniors and their families. May you all have continued success in your future endeavors!

Have a wonderful, safe and relaxing summer!

Christine Resnick

Some Highlights from the World of STEM Education at SBHS:

All 6 of our nominees accepted into Governor’s School:

The following are some highlights from our STEM Education here at SBHS:

Two students Evan Wu and Rupesh Chinta at SBHS qualified to take the American Math Invitational Exam. One of these students, Evan Wu, was invited to take the USAMO exam. He is one of 500 students nationwide to be selected for this opportunity. The same two students, Evan Wu and Rupesh Chinta were among the approximately 400 students nationwide invited to take the USA Physics Olympiad exam. Congratulations Evan and Rupesh.

All six nominees to Governor’s School of Engineering and Governor’s School of Sciences from SBHS were selected to participate in the program. We wish them an enriching learning experience.

Participants from our chemistry program did very well at the Chemistry Olympics held at NJIT in May, and placed top 3 in 6 events. Kudos to Mr. Poot and his team.

Our Robotics programs had a successful season. There were teams from 29 nations gathered at the Kentucky Exposition Center to compete with custom-built robots during three days of intense back-to-back matches.

The best VEX teams worldwide qualified to compete at the Vex World Championship hosted by the REC Foundation in April. Our team 750 E was one of these teams. We are proud of the accomplishments of our program, and recognize the hard work and mentorship of Mr. Snook and Mr. Fawcett.

Our InvenTeam 2015 has successfully built an alpha prototype of an invention to prevent accidents involving car doors and bicycles.

An Eurekafest will be held at MIT in Cambridge, Massachusetts from Thursday, June 18-20. The team will showcase their invention and have an opportunity to work with the faculty at MIT, engineers, and inventors. We are proud and grateful to be one of only 15 school nationwide to be granted this honor. We congratulate all participants and wish them well.

Graduation Banners!!

Celebrate the graduation of your SBHS Senior. Order a personalized banner for your graduation party. All banners are vinyl, 15” High x 30 “wide and have metal grommets to be hung indoors or outdoors. This year our graduation banner orders are all online. The following is a link to access the form:

https://docs.google.com/forms/d/1HLo4sidCQI_UFZwn1SXd9jDMxCV1gBj7jG4SppvdPE9I/viewform?
usp=send_form
sbEarth has been busy with time-tested events and launching new efforts

sbEarth, the environmental club of SBHS, had a busy spring with time-tested events and launching new efforts. Once again, the club spruced up the front gardens of the high school, pulling weeds and adding mulch so that the perennials, planted in early years, can thrive. Be sure to notice the colors of purple and yellow as spring progresses!

sbEarth held its annual coffee house on April 24, with student performers and sales of baked goods and hot drinks. The event was attended by over 200 students, raising $1,200 for Population Services International, with the proceeds going to the group’s project that focuses on clean water, hygiene and sanitation for all of the world’s people. Thanks to all who made this event a huge success!

In addition, sbEarth held an electronic waste collection day, with the goal of reducing the amount of e-waste that ends up in landfills where toxic metals leach into the environment. Students worked on a Saturday in March, accepting donations of old iphones, lap tops, and printer cartridges to send to our partner TerraCycle. Sending two cartons of material to TerraCycle and taking several car loads of old electronics to Staples, who also participates in certified e-waste recycling, the club hopes to build on this first effort in the future.

sbEarth is currently collecting beauty products such as shampoo and conditioner bottles, hand cream tubes, mascara and lipstick cases, cosmetic compacts and other plastic containers as part of TerraCycle’s Beauty Product Brigade, sponsored by Garnier. The materials will be sent to TerraCycle for upcycling and recycling into new products, while earning sbEarth points towards its charity donations. Please send in materials in June and again starting in September. No nail polish or nail polish remover, please!

A Word from our School Nurses:
How to Get Energized Without an Energy Drink-
Tips from the American Heart Association

How do you energize without energy drinks high in added sugars and caffeine? Instead of reaching for an energy drink, give the following ideas a try.

**Try a homemade smoothie**
Fresh fruit offers healthy sugars perfect for a snack any time of day. Before you head out to work or school make yourself a delicious, nutritious smoothie.

Try blending ½ cup frozen fruit with no added sugars, ½ cup plain, non-fat Greek yogurt with no added sugars and ½ cup fat free milk. Or enjoy this Basic Berry Smoothie recipe from the American Heart Association:

### Basic Berry Smoothie
Makes 2 cups; 1 cup per serving
Tip: To freeze bananas, first peel the banana, then wrap tightly in plastic wrap.
1 cup frozen berries, such as blueberries, raspberries or strawberries
1 small frozen banana, broken into pieces
½ cup nonfat, sugar free vanilla yogurt
¼ cup orange juice
Put all ingredients in a blender and blend until smooth.
Note: you can add some ice cubes if you like

### Take a walk
A simple five- or 10-minute walk can really energize a person. Try walking up and down a few flights of stairs or getting outside if you can.

### Drink something cold
Give yourself the same effect of jumping into a cold pool by picking up a refreshing, cooling drink. It could be ice water with a lemon or lime.

### Socialize
Positive social interaction can take someone’s mind off the things that are draining them. Schedule a walk with a friend one night a week. Make sure to choose a friend who has a positive attitude on life.

### Breathe and stretch
It can be easy to get exhausted during the day. Change things up by taking a few long, deep breaths and then doing light stretches. Try gently rolling your neck side to side and stretching your arms up. Those simple movements can really help perk you right up.

### Remember, stay hydrated
Drinking water throughout the day helps your body stay hydrated. However, this can seem like a challenge if you aren’t a big fan. Here’s how to crave more water:
- Carry a refillable water bottle.
- Add slices of oranges, lemons or even cucumbers for an added boost of flavor.

Try seltzers or sparkling water with a splash of 100 percent fruit juice.
Student Council and Class Council Officers for the 2015-2016 School Year

Speeches were posted on Tuesday, May 26th on the school website and voting took place on May 28th during all lunches. The following are the officers who were elected:

**School Council**
President: Tyler Sanders
Vice President: Dana Madden
Treasurer: Destinee Brown
Historian: Janine LaGarenne
Board of Education Representative: Sophia Balsamo
Public Relations Chair: Austin Calvano
Corresponding Secretary: Mollie Hayes
Recording Secretary: Zach Case
Underclassmen Representative: Michaela Sanders

**Class of 2018**
President: Joanna Kim
Vice President: Hudson Waller
Treasurer: Esther Zhang
Historian: Izzy Leite
Secretary: Martina Malak
Social Coordinator: Mehek Kalra

**Class of 2017**
President: Daniel Kim
Vice President: Aditya Sharma
Treasurer: Michael Napoli
Historian: Rebecca Zheng
Secretary: Safwan Islam
Social Coordinator: Jessica Pross

**Class of 2016**
President: Rosa Shi
Vice President: Janice Fong
Treasurer: Pradhita Kolluru
Historian: Kavya Sreeram
Secretary: Nikita Chaubal
Social Coordinator: Devneet Kainth

Executive Member interviews/selections have not been completed at the time of this writing.

A word from our Guidance Department

The Guidance Department will be closed the weeks of July 6-10 and August 3-7.

All new student registrations and student withdrawals will be by appointment only with Raymona Baker at (732) 329-4044 ext. 3205

**AT THE TIME OF YOUR ENROLLMENT, IF YOUR REGISTRATION INFORMATION/DOCUMENTATION IS INCOMPLETE, YOU WILL BE RESCHEDULED TO A LATER DATE.**

Enrollment appointments are scheduled Tuesdays to Thursdays only between 7:30 a.m. and 2:00 p.m.

In order to register a student in our school, parents/guardians must present the following documentation:

1. Original birth certificate with raised seal
2. Proof of residency (e.g. original Deed/Lease or signed Contract of Sale, if still in effect with copy of your current drivers license & Utility Bill in your name reflecting your NEW address in district)
3. Student Health Records with dates of inoculations
4. Student records from the student’s former school (unofficial copy of student’s most recent transcripts, current report card, current schedule, NJASK test scores and IEP or 504 if applicable) All overseas transcripts must be translated and certified.
5. Proof of guardianship

If any of the above is not available, all substitutes must be approved. Please contact Raymona Baker for information on acceptable substitutes.

All registration forms can be downloaded from our main district registration page.

Autism Awareness

Student Council sponsored Autism Awareness month in April. Students from the Student Council and students from the SBHS Life Skills class worked together to create advertisements reminding students to wear blue on April 23rd. Students and staff who participated received a sticker. Bulletin Boards were created with facts about Autism to help raise awareness. The Student Council sold blue T-shirts for $10, puzzle piece lanyards for $2, and blue sunglasses for $5. Additionally, donation cards were sold and can be seen in the cafeteria alcove. Instead of contributing to an outside charity, a donation will be made to the SBHS Life Skills Program with the funds raised in April. Thanks to all who supported!
From the Student Assistance Program:  

Summer Safety Tips for Parents and their Teens

The Viking Connection

Page 7

The months of May-August are when the greatest number of U.S. teen traffic deaths occur. Nearly twice as many U.S. teens die in traffic crashes during the summer compared to the rest of the year. More teens begin to abuse substances during this time than other times of the year. Unstructured time raises the risk for teens to engage in potentially dangerous situations.

Here are some “Tips for Parents” to help keep your Teen safe during this upcoming summer season:

Teach and guide your teens to make safe choices. Take this time and use it as an opportunity to discuss with your teen your values regarding: relationships, sex, alcohol and other drugs, media and peer influence and decision making.

Set clear rules and expectations and then, follow through and hold your teen accountable. Help your child practice how they would handle various potentially risky situations.

Do not allow your teen to go to parties where alcohol is served or homes that condone teen use of alcohol and other substances. It is best to verify with your child’s peers’ parents about their position on any substance use and how they will be monitored.

Don’t allow alcohol to be served at any parties with teens in your home or allow them to partake in other substance use, including marijuana. Your influence is greater than you think. Studies show that teens, whose parents send a clear message regarding their substance (alcohol included) free expectations, are less likely to use substances. Studies also show that the longer you can help postpone your teen’s involvement with substances, the less likely they are to develop an addiction.

Make sure your teen knows never ever to get in a car with a driver under the influence of any substance or who tends to drive in a reckless manner (very fast, while texting, etc.) Plan a way for them to reach you or someone safe for a ride should they get stuck or need to get out of a risky or uncomfortable situation.

Encourage positive and healthy activities. Too much free time is not a good thing. Poor choices often come from being bored, restless or with unstructured time. Help your teen get a voluntary or paying job, join a group, sport or activity or assist you with tasks.

Reward your child for positive choices, accomplishments and just being who they are. Rewards don’t need to be monetary or concrete, but in the form of acknowledgements, privileges and positive commentary. Even praising little things can go a long way.

We wish you all a happy, healthy and safe summer!

Music Department celebrates another outstanding year

The South Brunswick High School Concert Choir performed at Carnegie Hall on May 23, 2015. Accompanied by the New England Symphonic Ensemble the choir performed two major works, “Magnificat” by Kevin Memley and Antonin Dvorak’s “Te Deum.” The group received a standing ovation following the performance. This marks the Concert Choir’s seventh performance at Carnegie.

Earlier this spring the choir was one of three high schools invited to perform in The College of New Jersey Choral Invitational. In addition, they have given performances at local nursing homes, the SB Senior Center, the Senior Awards Ceremony, the District Choral Festival and District Art Gallery.

The South Brunswick Visual Ensemble finished a very successful season by once again making it to the finals of the Winterguard International Championships in Dayton, Ohio. Only the top fifteen guards in the division make it to the finals. The seniors of the Visual Ensemble have made the finals all four years of their membership. This years championships had guards representing eight different countries.

The South Brunswick Wind Ensemble was chosen to perform at the Mid-Atlantic Wind Band Festival in February at Rutgers University, as well as the Metropolitan Wind Band Festival in April at Roxbury High School. These events are auditioned and our Wind Ensemble was honored with invitations to both. They performed for appreciative audiences as well as nationally known conductors.

The Pirandello Players thrilled audiences with their performance of the musical “Curtains” in May. Over sixty students took part in the production onstage and backstage.

The South Brunswick Indoor Percussion ended their season winning the Bronze Medal at the MAPS Championship in Coatesville, Pennsylvania. The championship included groups from the tri-state area.
Thank you from the Viking Closet

It was another spectacular year for the Viking Closet! Our club kept very busy all year round. Thanks to its 44 members and over 100 plus volunteers, the Viking Closet was and is able to run like a well oiled machine.

Our Club members are the key to the success of the Vikings Closet’s structure and organization. They work extremely hard and it shows. Our 100 plus volunteers do laundry, fold clothes, straighten and clean the Viking Closet year round. A big thanks to all the hard working club members and volunteers!

As we come to the close of the 2014-2015 school year, we will be taking our annual inventory of our items. Surplus inventory in past years has gone to the Salvation Army or Planet Aid. This year we will be bringing our surplus clothing to Elijah’s Promise “Clothesline”. The “Clothesline is a community thrift store in New Brunswick that provides very low cost and free, gently used clothing and household items to their guests and others in the New Brunswick community. Proceeds from the Clothesline support the programs and services of Elijah’s Promise.”

The Viking Closet has also been able to donate its surplus of prom dresses to students in need in various places. This year we gave our surplus of dresses to “Our Fairy Godmother”, a charitable organization that holds events in Abbott school districts. “Our Fairy Godmother” charges $10.00 to $20.00 per dress, however depending on the student’s monetary situation, the dresses can be given for free. The proceeds from their events go to the favorite charity or organization that donates the most dresses to their foundation. The Viking Closet contributed the most this year, and we received $215.00 as our reward!

Duchess Florals of North Brunswick came to us this year and offered the Viking Closet and Project Graduation 10% of the proceeds of any student ordering flowers for prom. They were also very generous and gave us 6 free corsage certificates this year to give to our male students to help with the high costs of prom. You still have time to order your prom flowers online at www.duchessflorals.com or call 732-943-3338 for an appointment. They have also committed to help with the prom event next year.

The South Brunswick Mom’s Club was another organization that helped us with donations for the prom event as well as monetary donations to help with the everyday costs of running the Viking Closet.

Our Annual Free Raffle for all SBHS students was held on May 21st. We have received many wonderful donations for prizes from the community, students and staff. Prizes included Vera Bradley items, Coach items, a Michael Kors wallet, NorthFace items, South Brunswick wear, college wear, Ralph Lauren Polo items, football and baseball jerseys, and much more!

At the end of this school year the Viking Closet will be collaborating with the Environmental Club to help recycle the many used school items that would normally be discarded by students. This year we will have collection bins for SBHS students to put their gently used notebooks, binders, pens, pencils, etc. The donation bins will be placed around the academic halls of the high school the last two to three weeks of school.

Beginning on September 1st we will also be reaching out to our community for Back to School items. We will be collecting backpacks, drawstring bags, book covers, notebooks, binders, pens, pencils, and all back to school items. Our donation bin will be conveniently located in the main lobby of the high school.

The Viking Closet will stop collecting clothing donations beginning June 1st. We do not have enough volunteer power to continue collections through the summer so we close the store for July and August. We will begin collecting clothing donations again on September 15th 2015.

The Viking Closet Club would like to thank everyone who supported the Viking Closet this year. It has indeed been another great year!

“When we give cheerfully and accept gratefully, everyone is blessed.” — Maya Angelou

Mr. Varela has been meeting with various stakeholders to update our current dress code. Any changes will be reflected in the 2015-2016 Student Handbook.

He would like to thank everyone for their input.

Summer Hours

Starting July 1st to September 1st the school will be open from 7:30 am to 2:15 pm Monday through Friday

Have a restful and safe summer!
