Hello Paradise Creek Regional High School Families!

We hope everyone had a great week! Please remember there will be no school next Monday, January 17 in observance of Dr. Martin Luther King, Jr./Idaho Human Rights Day. Thanks!

Please see below for important dates and details concerning the last month of Quarter 2.

Masking & COVID Protocol Updates

- The Moscow School District's Board of Trustees had a special board meeting on Wednesday, January 12 and made the determination that the mask requirements for all who enter our schools will remain in effect until the end of the third quarter of school (April 7).
- Additionally, the Trustees also directed the district administration to continue to monitor and collect data of the COVID situation and to hopefully discontinue the mask requirement earlier if a significant decline in cases occurs.
- This action by the Trustees was based off the current data the district has collected, regional information regarding the predicted increase of cases caused by the COVID Omicron Variance, along with a letter signed by 57 local and regional medical professionals communicating their support for the district to maintain universal mask requirements for the next 6 weeks.
- The Trustees also approved a new protocol regarding Isolation and Quarantine. This protocol reduces the number of days out from 10 to 5. This new protocol is below.
-
- Our goal is to keep our students in school during these next weeks when the Omicron variant moves through our community. The latest information gives us hope it will be short term in length.
