- There will be no school this week.
- Enjoy the time with friends and family!

December 16 - 17 – Turn-In Dates

- This is the second turn-in day of the second quarter.
- All work assigned prior to these dates will not be collected after these dates.
- Please see individual teachers for details.

December 20 – 31 – No School – Winter Break

- There will be no school this week.
- Enjoy the time with friends and family!

Close Contact Protocol Change

- Effective November 29, 2021, the district will modify our current contact tracing measures, specifically, the practice of students being required to quarantine due to close contact within the classroom with a COVID-19 positive person.
- Students who are identified as close contacts and are asymptomatic will no longer be required to quarantine at home. These identified students will be monitored at school for any symptoms.
- Parents/guardians are also requested to continue to take precautions and monitor their children for COVID-19-like symptoms and to keep students at home when symptomatic.
- Parents/ guardians will continue to be notified if a confirmed positive case was present in one or more of their student's classrooms when that positive case was infectious.
- The school district continues to have COVID-19 PCR Vault tests for your use if you believe your student or an immediate family member of the student has been exposed to COVID-19. You can pick a test up at your child's school or the district office.

Approved Covid Tests

- If you choose to have your child take a Covid-19 test for the purpose of getting your child back into school, the district only accepts the results from a “NAAT” or “PCR” Covid-19 test.
- All of our Covid-19 information is found on our district website through the link below.
