CHILDREN’S COVID VACCINES NOW AVAILABLE!!

The Centers for Disease Control (CDC) and the Federal Drug Administration (FDA) granted Emergency Authorization for the Pfizer COVID vaccine for children 5-11 years of age. It is a two dose series that is given at least 3 weeks apart.

The most common side effects for children from the vaccine include fatigue and soreness at the shot injection site. This vaccine is very safe.

Our first children’s vaccination drive thru will be on November 11th from 1-6pm at the Fairgrounds. If you would like to schedule an appointment for your child on a Friday afternoon, please call 782-7590.

Please note that we are given limited supply and ask for your understanding if we run out. Children must have Parent / Legal Guardian consent.
