Release of Student Records and Information
The Family Educational Rights and Privacy Act (FERPA) is a Federal law that governs the maintenance of student education records. Under that law, parents of students, or students themselves if they are at least 18 years of age (“eligible students”), have both the right to inspect education records kept by the school about the student and the right to correct inaccuracies or misleading information in the record. Access to these records by other than the parents or the student is limited and generally requires prior consent by the parent or the student.

The Board of Education for the Zuni Public School District gives notice to all parents and eligible students that:

ZPSD maintains the following records directly related to students and subject to the limitations on disclosure provided in FERPA:
- Academic records,
- Personal information records,
- Disciplinary records,
- Attendance records,
- Health records,
- Progress reports,
- Standardized testing records.

Access to records is limited to:
- Parents of students under 18
- Parents of students over 18, if such student is dependent as defined in the Internal Revenue Code
- The eligible student
- Officials of this school district who have a legitimate education interest
- Federal, state, and local officials to whom information is required to be reported
- Certain test organizations
- Accrediting organizations
- Appropriate persons in connection with an emergency
- Pursuant to subpoena or court order
- To any person, with the written consent of the parent or eligible student

ZPSD policy requires the following:
- Educational records be kept to an essential and relevant minimum. Records are reviewed at the end of each school year, and non-essential or irrelevant material is deleted.
- Limits the right of access to education records to the persons and circumstances indicated above.
- Requires that copies be made available to persons entitled to receive copies.
- Provides that explanations and interpretations of records are available upon reasonable advance notice.
- Some records, such as standardized test scores and other material of a technical nature may only be reviewed with a person qualified to interpret and explain such material and records.
- Provides the right to challenge the content of records.

If records contain information on more than one student, the right to inspect relates only to that portion of the records concerning the particular student in question. ZPSD will not re-disclose student records without prior written consent.

Student Directory Information
FERPA classifies certain types of information that generally would not be considered to be an invasion of privacy or harmful if released as "student directory information." School officials may release directory information, as defined under ZPSD policy, to any person, including but not limited to marketers, colleges, and the media, without the consent of the parents or the student.

Parents/students who object to the release of any or all of this information without consent must notify, in writing
- Principal/Assistant of the school where the records are kept
- Within fifteen (15) days following the 1st day of school (or the enrollment of the student, if after the beginning of the school year).
- The objection must state what information the parent or student does not wish released.
- A form for filing an objection is available at all district schools and at the superintendent’s office.

In the absence of timely notice objecting to its release, the listed information will be classified as directory information until the beginning of the next school year.

"Directory Information” as defined by ZPSD policy includes:
- The student's name
- Grade in school
- Name of school
- Eligibility and participation in officially recognized activities, including but not limited to fine arts exhibits, performing arts programs, other performances, graduation programs and sports events
- Weight and height of members of athletic teams
- Honors and awards received
- Yearbooks
- Identification in visual media, including photographs, videotapes and video images, depicting school programs or activities.

Federal regulations are subject to change, and ZPSD will comply with regulations as adopted.

Release of Student Information to Military Recruiters
The Federal No Child Left Behind Act (NCLB), requires school districts to provide student names, addresses, and telephone numbers to military recruiters unless the parent or student (if 18 or over) specifically requests that the information not be released without prior written parental consent.
If parents of students in grades 9-12, or students aged 18 or older object to the release of this information, they are asked to complete a form indicating their objection. If the form is not completed and returned to the student’s school, requests for this information will be honored. Forms are available at all schools serving students in grades 9-12 and should be returned within fifteen (15) days of the beginning of the school year or fifteen (15) days after enrollment.

Protection of Pupil Rights Amendment
The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify parents and obtain consent before students participate in certain school activities. These activities include a student survey, analysis, or evaluation that concerns any of the following eight specific areas ("protected information surveys"): 
- Political affiliations or beliefs of the student or student’s parents
- Mental or psychological problems of the student or student’s family
- Sexual behavior or attitudes
- Illegal, anti-social, self-incriminating, or demeaning behavior
- Critical appraisals of others with whom respondents have close family relationships
- Legally-recognized privileged relationships, such as with doctors, lawyers, or ministers,
● Religious practices, affiliations, or beliefs of the student or parents
● Income, other as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes (“marketing surveys”) and certain physical examinations and screenings (“activities”).

ZPSD does not currently plan to administer surveys that seek any of the “protected information” detailed above. Should a situation arise where such a survey needs to be administered, the District will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities. Parents will be provided with an opportunity to review the surveys and with an explanation of the activity. **Parents will have the opportunity to consent to or opt their child out of participation.** The rights granted by PPRA, as well as the opportunity to consent/opt out, transfer from parents to any student who is 18 years old or is an emancipated minor under State law. Any questions or concerns should be directed to the school Principal/Assistant.

**Student Assessment**

ZPSD believes it is important to offer students a variety of assessment opportunities. Assessments are included as a part of every class. However, students are also measured through a variety of alternative methods including:

- Portfolios
- Demonstrations
- Presentations
- Collaborative projects

This variety of assessments allows students and teachers to identify strengths and problem areas and respond to them promptly. When problem areas are identified, teachers develop strategies to correct the problem.

State and Federal Assessments utilized at TBA include:

- New Mexico Standards Based Assessment--NMSBA: Administered to 11th grade
- ACT/Plan: Administered to 10th grade
- ACT: Administered to 11th & 12th grade
- ASVAB: Administered to 10th, 11th & 12th grade on voluntary basis
- ASVAB Aptitude Battery: Administered to all students in the Fall
- STAR Reading and Math: Administered to all students three times a year
- New Mexico English Language Proficiency Exam (ACCESS): Administered to all ELL students.
- PARCC: Administered to 9th, 10th & 11th grade once a year.
- NMAPA: Alternative Assessment for science and social studies
- EOC: End of Course Assessments in all non-elective subjects

### Student-Led Conferences (SLC)

At TBA Student-Led Conferences (SLC) replace the traditional parent/teacher conference. SLCs are led by the student with parent/guardian, and other student invited guests. The teacher facilitates the meeting, but the student is the leader of the meeting. During the conference, students will explain their progress of both academic (content/skill) and character. Students will explain their progress by leading their families through a portfolio of assignments from classes.

### Dual Enrollment

Dual enrollment provides an opportunity for high school students to take college level courses.

- Dual enrollment courses may only be taken for elective credit and cannot be used to meet a core graduation requirement in accordance with our agreements with the post-secondary institutions.
- Eligibility requirements to enroll in dual enrollment courses are established by the post-secondary institution and vary with the institution and the desired course.
- It is the student’s responsibility to provide the ZPSD registrar with an official college transcript to get the course included on the student’s ZPSD transcript.
- Twin Buttes Academy Juniors and Seniors are eligible for the dual credit opportunity provided that they have completed the core requirements for graduation.
Credit Recovery: Online Course Work & Independent Study

Students must request prior approval from their counselor for credit recovery courses or independent study to qualify for credit at ZPSD. These courses must require that the final exams be supervised by certified school personnel and be earned from an accredited program or certified teacher. ZPSD reserves the right to evaluate a course before credit is given.

Twin Buttes Academy offers online credit recovery programs as well as credit recovery through independent study supervised by certified school personnel.

Counseling

Sometimes students find themselves in difficult or confusing situations. For these situations, there are people on staff as well as support groups that can help. School counselors, social workers, and school psychologists are available for counseling.

Twin Buttes Academy has counselors on hand twice a week however; they are on call for any student wishing to meet with them on an as needed basis. When needed, students are referred to the IHS Behavioral Health Department or the Zuni Teen Health Center for services.

Normal Class Load

The normal class load for a ZPSD student is 7.0 credits per year. Students can earn additional credits beyond their normal class loads through independent study or online courses, etc. All additional credits need prior approval from TBA Administration.

ZPSD Graduation Requirements

- A total of 25 credits are required for the Class of 2015 and beyond to graduate from TBA.
- Students must pass the state mandated assessments or complete a state approved Alternative Demonstration of Competency (ADC) to receive an endorsed diploma.
- Students who earn credits but do not meet the state mandated requirements may be eligible for a Certificate of Completion.

**Grade Classification for Class of 2015 and subsequent classes**

A student’s grade classification is determined by the number of high school credits earned. Minimum credits for the following grades at TBA are as follows:

- **Freshmen** 0 – 6 credits
- **Sophomore** 6.5 – 12 credits
- **Juniors** 12.5 – 18 credits

A student transferring to TBA from a high school program whose graduation requirements are less rigorous may be classified using a pro-rating system.

**Enrollment Conditions for Students 18 years and above who are NOT Seniors**

Twin Buttes Academy will enroll students 18 years of age or over who are not considered seniors however; they must sign an academic contract. The contract will be included in the registration packet for underclassmen who are 18 years of age or over. Requirements under the contract will be for students to attend school regularly and on time. They must attain passing grades in all online or regular classroom courses. Failure to meet these requirements will be cause for student to be withdrawn and referred to a GED program. Opportunities for credit recovery are available through online courses and Independent Study on weekends.

**Parent Contact**

TBA will contact parent(s)/ guardians of all students for emergency and other reasons set out in the handbook. Parents must make sure that the TBA office staff has a current phone number on file. Only individuals listed as contacts in our student data system will be contacted. Parents are responsible to provide updated contact information to school staff.

**Health and Wellness**

The TBA Health Office is staffed by a health assistant to help maintain and support the wellbeing of our students. A district nurse is also available to help our students and maintains regular contact and office hours at TBA.

- Students who experience health problems during the school day **must report to the health office, located at the end of the hallway before the double doors.** Students must have a pass from their teacher.
- Students **may not** visit the health office during passing periods unless they are having a health crisis.
- Students experiencing health issues will be assessed and an attempt to reach the parent will be made, as needed.
- When a health problem exists or a significant injury is sustained during the school day, the health office will attempt to reach designated emergency contacts.
- If the health office staff has assessed the student as able to remain in school and a parent cannot be reached, the student will be returned to class.
- Parents or other designated emergency contacts must pick up the student from school and sign him/her out from the health office as well as the main office.
- Parents are requested to report any serious injury or ongoing health conditions that occur throughout the school year to the health office to support educational success and recovery.
- Students are able to rest in the health office during the school day for up to 20 minutes if not feeling well or have eye strain.
- **Students may not text or call their parents to pick them up due to illness.** Only the school health staff will notify parent if student is being sent
home.

Zuni Public School District Policies in accordance with the New Mexico State Department of Health, Office of School Health are as follows:

NO medicine, either prescription or over the counter, may be carried by the student on campus. There are two exceptions:

- A metered dose Asthma inhaler and emergency injections for severe allergic reactions may be carried by the student only if the appropriate forms completed by the doctor and parent are on file in the health office.

Parents who wish to have over the counter medications available for their student during the school year must:

- Obtain an over the counter medication form from the health office
- Return it to the health office with the medication in the original sealed container
- The medication will be provided as needed to the student in the health office

**Students who require prescription medication during the school year must:**

- Obtain a medical order form or provide a doctor’s order with electronic signature
- It must be filled out by the prescribing MD and signed by the parent
- It must then be returned to the health office with the medication in the original prescription container and the script must match the MD order.

Prescription medications will be given within one hour of the time due and students will sign for their dose. When students fail to arrive to the health office for their medication, every attempt to locate them will take place. Parents will be notified if their child misses a dose. Parents will be notified when medication supply is low. Parents MUST bring their student’s medication to the health office or call the health office to make other arrangements.

Medications will not be kept year to year. Parents must pick up the medications in the health office by the last day of school. Medications will be discarded if left in the health office at the end of the year. **All permission forms expire at the end of the school year.**

**Students caught in possession of either prescription or over the counter medications during the school day may be subject to disciplinary measures.** Students who either give or sell prescription drugs, over the counter medications or “look-a-likes” to other students on campus will be subject to disciplinary measures under selling, distributing or exchanging illegal substance policies, with an automatic police referral. It is imperative to understand that both over the counter and prescription drugs have different effects on individuals and could cause great harm or even death when given to someone it was not intended for.

**Immunizations**

ZPSD follows the state guidelines regarding immunizations. Students must be up to date with their immunizations in order to register for school and to remain at school. If you have questions about this, please call the Health Office. **A most recent updated immunization record will be requested BEFORE a student is enrolled and attends school.**

A student found to be truant is absent from class or school without the prior knowledge and consent of the parent or guardian. The office must receive written or verbal verification within 24 hours of the absence. **Students charged with Truancy will not receive credit for class work missed due to the absence. Any work missed will be counted as a zero (0) for grading purposes.**

**Attendance contracts**
*Students who have received previous court referrals for violation of the New Mexico Compulsory Attendance Law will be required to sign an attendance contract with parent/legal guardian prior to enrollment.*

*Attendance and tardies will continue to be monitored on a daily basis.*

*Students who have a history or truancy will be required to sign an attendance contract prior to being enrolled.*

**HABITUAL TRUANCY**

**CONSEQUENCES**
1st offense: Parental notification and either one day of Suspension or a chosen form of discipline.

3rd offense: Parental notification and mandatory parent conference and possible referral for counseling and/or SAT for review, either In-School Suspension or another chosen form of discipline.

5th offense: Parental notification and mandatory conference, referral to the Truancy Coach for mediation involving parent/family members to include home visits, possible referral to social services and EWI team for intervention
and up to 5 days of In School Suspension or an alternative form of discipline. Student will be placed on a school attendance contract.

At the Principal’ discretion a referral to Zuni Tribal Children’s court for violation of school compulsory attendance law will be filed. Three instances of unexcused tardiness will equal 1 unexcused absence.

A Robocall will be made to the parent/guardian when the student is not in the first hour class.

Excused Absences - To request that an absence be excused, the parent or legal guardian must call 782-4446 the day the student is absent, stating the student’s name, grade and reason for the absence. Parents/guardians should contact the Attendance Office to excuse a partial day absence, prior to the absence. The administrator may require documentation or other verification to confirm the student’s reason for the absence.

Absences may be excused for the following reasons:

- Medical, Health or Legal Appointments (parents/legal guardians are strongly encouraged to schedule appointments after school hours)
- Illness (A doctor’s note “will” be required after the third absence)
- Death in the family
- Limited Family emergency
- Religious commitment with notice from Kiva Leader or other Religious representative
- Diagnostic testing
- School sponsored activity
- Other circumstances, as agreed by the school administration prior to the absence.

Out of School Suspension (OSS) is considered an excused absence. (Student may make up work during O.S.S for partial credit)

Parents requesting extended absences (five days or more) for family needs must have prior Principal/Assistant permission.

School-Related Absences – In accordance with state guidelines, students will be granted a maximum of seven absences per term for school-related activities if appropriate documentation is provided. Students are responsible for all work missed during school-related absences. Seniors are allocated two additional days for college visits. Proof of visit(s) required.

Unexcused Absence/Tardy – An unexcused absence is defined as an absence for which no contact has been made by the parent to the school that explains the student’s absence or tardy or in which no appropriate excuse is given by student’s parent/legal guardian. A student with excessive unexcused absences and tardies will be subject to intervention. Intervention includes but is not limited to parent education sessions with retention coach, home visits, parent shadowing and referral to the Zuni Tribal Court.

Unexcused absences include, but are not limited to:

For appointments in the morning, parent/guardian must call in before the student will be excused to arrive late on campus.

**Making Up Work** – A student who is absent with an approved excuse is required to make up work. The student will have 1 school day to make up work for each excused absence; exclusive of weekends (e.g. students will have two days to hand in work if he/she missed two days of school.) Weekends are not counted as makeup days, so a student missing Thursday and Friday has until Wednesday the following week to turn in work (Monday and Tuesday are counted as the days used for makeup.)

**TARDY POLICY**
Parents must call the school prior to their student’s arrival at school on the day of a tardy. A tardy will be excused or unexcused based on the same criteria as absences. Students who are tardy due to an appointment should follow the process outlined in the section titled "Appointments". Students arriving to school late must report directly to the office.

Tardy is defined as arriving to class after the tardy bell rings. Late arrival to class is an issue of serious concern. Teachers must stop instruction, repeat material or directions, and adjust attendance records while prompt students must wait while the distraction is addressed. Two unexcused tardy arrivals in one week will result in After School Detention. Four tardy arrivals in one week will result in one day of In School Suspension (ISS). Excessive tardiness will result in referral to the Retention Coach.

Excessive tardiness to school will result in referral to the retention coach. Persistent tardiness after intervention will result in referral to Zuni Tribal Court for violation of NM Compulsory Attendance Law.

**STUDENT CHECK OUT**
As we value the safety of our students, student check outs are permissible only to adults over 18 who are listed on the Twin Buttes Academy enrollment form. If an individual is not listed on the enrollment form he/she will not be allowed to check out the student. No Exceptions!

Firearm/Weapons/Possession
The Board of Education recognizes that the presence of weapons in school not only creates unacceptable risks of injury or death, but also creates a climate that undermines the educational purposes of the schools. Accordingly, it is the policy of the Board of Education to forbid the possession, custody, and use of weapons by unauthorized persons in or around school property.

This policy is enacted to implement the requirements of the federal Gun Free Schools Act of 1994, 33 U.S.C. 3315 (a) (1) and Gun Free School Zones Act of 1990, 18 U.S.C. 921-924, and it is the intention of the Board that it be interpreted to conform to provisions of those referenced laws.

GANG RELATED ACTIVITY
The ZPSD School Board recognizes that the harm done by the presence and activities of gangs in the public schools exceeds the immediate consequences of other activities as outlined in the handbook such as violence and destruction of property. Gang activities also create an atmosphere of intimidation in the entire school community. Both the immediate consequences of gang activity and the secondary effects are disruptive and obstructive of the process of education and school activities and will be dealt with accordingly.

Definition:
   a. For purposes of this policy a "gang" is any group of two or more persons whose purposes include the commission of illegal acts, or acts in violation of disciplinary rules of the school district.
   b. "Gang related activity” includes but is not limited to the prohibited conduct set forth below.

Prohibitions:
No student on or about school property or at any school activity shall:

2. The removal of gang-related graffiti shall be a priority in maintenance of school property. All such graffiti on school property shall be removed or covered within twenty-four (24) hours of its first appearance to school officials, or as soon thereafter as possible, unless additional time is needed to obtain replacements for damaged items.
3. School officials should also encourage private property owners to promptly remove or cover gang-related graffiti on private property in school neighborhoods.
4. School officials are strongly encouraged to work closely with local law enforcement officials in controlling gang-related activities. Local law enforcement can provide school officials with information regarding gang-related activities in the area, including names and characteristics of local gangs.
5. The Principal/Superintendent, in consultation with the appropriate building Principal/Assistants, should report instances of gang-related criminal acts or acts of serious disruption to local law-enforcement authorities for further action.

**SEARCH AND SEIZURE**

The Board of Education, in recognition of the necessity of conducting searches and seizures of employees and students from time to time in order to enforce school policies and discipline, adopts the following policy regarding searches and seizures.

**DEFINITION:**
As used in this policy “contraband” means any substance, material, or object prohibited from school pursuant to school policy or state or federal law, including drugs, alcohol, fireworks, or weapons.

**RULES REGARDING SEARCHES AND SEIZURES:**
With respect to both employees and students, the district reserves the right to search persons, personal effects and vehicles when a reasonable, individualized suspicion based upon objective, observable facts exits:

A. A pat-down search of a person may be conducted on the basis of a reasonable, individualized suspicion that such person is in possession of contraband. Any such search shall be conducted in private by an authorized school official of the same sex as the person to be searched and in presence of a witness of the same sex. Strip searches are not permitted.

B. Lockers, desks and similar storage facilities are school property and remain at all times under the control of the school; however, persons using such facilities are expected to assume full responsibility for the security of their lockers and desks and similar facilities. Periodic general inspections of lockers, desks, and similar facilities may be conducted by school officials for any reason, at any time, without notice and without consent.

C. Persons are permitted to park on school premises as matter of privilege, not of right. The district retains the authority to conduct routine patrols of school parking lots and inspections of the exteriors of automobiles on school property. Such patrols and inspections may be conducted without notice and without consent. The interiors of vehicles on school property may be inspected whenever a school official has a reasonable suspicion that contraband is within such a vehicle.

D. In any of the foregoing enforcement actions, the administration is authorized to use dogs whose reliability and accuracy for sniffing and detecting contraband has been established. The dogs will be accompanied by a qualified and authorized dog trainer-handler who will be responsible for the dog’s actions. Any indication by the dog that an illegal or unauthorized substance or object is present on school property or in a vehicle on school property shall be reasonable cause for a search by school officials.

**PUBLIC DISPLAY OF AFFECTION (PDA)**
At TBA, we are a community of learners. Everyone respects and values the members of the school community as individuals with unique qualities and gifts. At TBA, we are preparing students to enter the world of higher education and work. Any public display of affection should enhance the respect that we have for another; however, it should never interfere with learning. The following parameters should guide us in our behavior at school, on school grounds (including parking lots, and outside areas) and at school activities:
**NOT APPROPRIATE**
Kissing, groping, molesting, lap sitting, or touching private parts, extended hugging, wrapping arms around and lifting individual off the ground. HICKIES ARE NOT ALLOWED on students.

**APPROPRIATE**
Touching (excluding private parts) – for example, a pat on the back, linked hands (with both hands visible), Non-romantic quick hugs, or an occasional arm around the shoulder while conversing, encouraging, showing solidarity or support is appropriate.

Dances are social occasions and partners can hold each other romantically, but no provocative embraces are allowed.

Visible, open handholding is permissible.

No act should take away any portion of a person’s dignity, but rather add to it. Excessive public displays of affection beyond a handshake or quick hug may be distracting and embarrassing to others and are not appropriate in the school setting. Students must follow “the daylight rule” while on campus. This means no part of either body should block daylight from showing through.

**CONSEQUENCES:**

1st Offense: Student Conference/Parental notification/written discipline referral
2nd Offense: Student Conference/Parental notification/counseling referral to the counseling office/nurse.
3rd Offense: Parental notification and mandatory parental conference. Will result in consequences outlined under General Disruptive Conduct/Defiance.
