Hello Everyone,

We have come to the end of the school year. I want to thank all the parents for your support throughout the year. The activities we had would not have been possible without your donations. I hope to see everyone next school year.

I am very excited to announce that this year we will be having a Talent Show. The students and staff have been working really hard for the past two months putting the show together. We hope to see you all there. In previous years the Talent Show has been an open doors event, due to safety preventions this year if a student is not accompanied by an adult they will not be admitted. Also if you are bringing toddlers with you please keep them with you at ALL times.

Again thank you for all your support this year have a fun and safe summer.

Thank you!
Ms. Roxanna

Hola a todos,

Hemos llegado al fin del año escolar. Quisiéra darles las gracias a todos los papás por su apoyo durante el año. Nuestros eventos no hubieran sido posible sin sus donaciones. Espero verlos a todos de nuevo el año que entra.

Estoy muy emocionada de anunciar que este año sí tendremos el Show de Talentos. Los estudiantes y personal de Prime time a estado trabajando muy duro durante estos dos meses. Esperamos verlos ahí. Debido a la seguridad este año los estudiantes deberán ser acompañados por un adulto para poder entrar a ver el show. También si traen a niños pequeños por favor asegúrense de tenerlos con ustedes en todo momento.

Otra vez quisiéra darles las gracias por su apoyo. Que tengan un buen verano.

Gracias!
Ms. Roxanna

**Ingredients**
- 1 box white cake mix
- Gumball
- Blue food coloring
- Cupcake pan with liners
- Small Swedish fish (2 per cupcake)
- Fruit Stripe gum (1 per cupcake)
- Graham crackers or shortbread cookies
- Vanilla frosting
- Small ziplock bag
- Blue sugar crystals
- Small umbrellas

**Directions**
1. Prepare the cake mix according to the cupcake directions. Add blue food coloring, drop by drop, until the batter is the desired shade of ocean water. Put liners in the cupcake pan and fill each cup two-thirds full with batter. Submerge 2 Swedish fish in each cup. Bake as directed and let the cupcakes cool.
2. Scoop half of the frosting into a bowl and add blue food coloring until the color matches the batter. Frost half of each cupcake blue (making waves if you like) and the remaining half white.
3. Crush graham crackers in the sealed ziplock bag and spread them over the white side of the cupcake to resemble sand. Spread blue sugar crystals onto the blue side of the cupcake.
4. Bend a third of a stick of Fruit Stripe gum to look like a beach chair and position it.
5. Add a gumball (as a beach ball) and an umbrella to finish your beach scene. (Depending on your container, you may want to leave the umbrellas off until you get to the beach.)

**Materials**
- pushpins or tape
- large roll of paper (available at craft stores)
- drop cloth
- tempera paint
- disposable containers
- rubber spike balls
- permanent markers
- googly eyes (optional)

**Directions**
1. Use pushpins or tape to cover the side of your garage or fence with several lengths of paper. Spread a drop cloth on the ground below to keep the paint-covered balls grit-free.
2. Squeeze each paint color into its own container. Roll a rubber spike ball in the paint to cover it, then stand about 5 feet from the wall and toss the ball at the paper. Repeat using other colors, if you like. Let the paint dry, about 15 minutes.
