1. San Diego City Schools Department of Resource Budget Status Summary for Budget Period 2017 (As of 02/02/17) Funding Updates
 - a. Principals were given four days to submit a budget following the news of a \$124 million budget shortfall. Fortunately, there will be very little change for iHigh due to simplicity of a small budget. The district plans to cut jobs from the central office and support services.
 - b. A review of All Resources/Total Resources Site Controlled from the 2016-2017 Budget by description and category (original, transfers and adjusted) showed the adjusted amount total to be \$45,852.00.
 - c. A review of the proposed 2017-2018 Budget (original) shows a decrease in some areas including discretionary allocations (10%) and additional counselor days. Concern was expressed about DoDEA funds (if this amount is recovered, it could be used for books). The original budget for 2017-2018 amounts to \$42,075.00.
 - d. A vote on approval of the 2017-2018 Budget was unanimous.
