### APPROVE CHANGES FOR SPSA FOR 2018-19:

The Single Plan for Student Achievement (SPSA) identifies and addresses the instructional needs of students and specifies how categorical funds provided through the Consolidated Application will be used to accomplish the goals outlined in the plan. State regulations require that the School Site Council (SSC) be the group responsible for developing and revising the SPSA in collaboration with the site instructional leadership team. Ongoing consultation with site advisory groups about student performance data, student needs, identified goals, appropriate interventions/preventions, and associated budgets is an integral part of the development and monitoring of the SPSA.

Date (Approved by SSC: Feb. 28, 2018)
In the fall, an annual meeting will be held to share with parents the Title I program and its requirements.

- **Jonas Salk Elementary School** will provide a flexible number of meetings to allow for parent involvement. These monthly meetings will be scheduled by the school, in languages appropriate for the parent groups, as required by Education Code 52164. Topics covered during the meetings will include:
  - Improving communication between the school and home;
  - Discussing current student assessment data and student progress;
  - Providing information about school and district resources for student academic improvement;
  - Evaluating the effectiveness of the school’s parent involvement policy to increase parent participation in activities;
  - Conferencing with teachers;
  - Providing training programs to help parents support and work with their children at home and at school.

- Parental input from the parent meetings and training sessions will be shared with the School Site Council (SSC) to provide an organized, ongoing, timely way of involving parents in the planning, review, and decision-making for improvement of the program.

- The school wide Parent Newsletter from the PTA is sent home informing parents/community of all meetings of interest. In addition, the newsletter is made available on our website. The PTA Newsletter is used to advertise parent meetings, and will include the advertising of District Advisory Council’s Harold J. Ballard Parent Center, Parent University, and other relevant meetings held throughout the district.

- During parent meetings, opportunities will be provided for parental suggestions. These suggestions will be reviewed in a timely fashion and, if possible, responses will be given by the next scheduled meeting. Topics appropriate for SSC Review / action will be placed on the agenda for the next regularly scheduled meeting by the school administration.

- Parents are notified annually of individual student assessment results by the Research and Reporting Department and the Testing Department. An explanation of the information is available in several languages.

Listed below are some of the parent involvement activities at Jonas Salk Elementary:

- **Coffee with the Principal** - Once a Month parents are welcome to sit and have coffee with the Principal. During this time, the Principal updates parents on any activities that will be occurring during the next month, presents the school budget, instructional plan, and various other topics related to student instruction. Parents are welcome to ask questions which relate to the school as a whole. Check calendar for dates and times.

- **Publishing Parties** are held during the course of the year, throughout the various grade-levels. Parents are invited to come to their children’s classrooms to see first-hand what their children are learning in school in language arts and in writing development. Teachers and children’s work inform parents how their children are developing as writers. Parents may visibly and directly affect their children’s success and their learning by coming in to the classrooms to support their efforts. Furthermore, parents can follow-up on some of the writing strategies used in the classroom to assist their children at home. Publishing Parties provide parents with the awareness of techniques and strategies, which they may utilize to improve their children’s academic success and to assist their children in learning at home.
