Parents and students should have received a fairly complete information update the weekend before the SSC meeting. Eric Korevaar asked some questions about items which were not clear from the update, such as whether there would be arrangements for students between the end of the lunch period and the beginning of sports, or college classes in the afternoon. Dr. Podhorsky will look into where students could stay on campus during that time.
5. District Advisory Council (DAC) Report -- District Survey	<ul style="list-style-type: none"> • Informational, Sam Cisneros 	<ul style="list-style-type: none"> • Mr. Cisneros attended the meeting on March 17. Jeff Bennet (Chair) discussed Title 1 funding and whether there would be more. Paula King discussed Family Engagement news. The bulk of the meeting was about LCAP funding in breakout rooms. At most schools there is a lot of jockeying between departments for the funding.
