MARSTON MODE
We believe that all students have the right to learn and all teachers have the right to teach.
Be responsible for your actions.
Follow directions the first time they are given.
Be in your seat ready to work when the tardy bell rings.
Bring a graffiti-free, three-ring notebook with dividers and writing utensils daily.
Use polite language.
Follow the Marston dress code.

VISION STATEMENT
The mission of Marston Middle School is to educate all students in an integrated setting to become responsible, literate, thinking, and contributing members of a technological society. Because we believe that all students can learn, we work cooperatively to instill confidence and self-esteem in every student. By creating a safe learning environment with an instructional curriculum enhanced by interactive technology and a partnership with parents, each student is valued and respected and has opportunities to succeed academically, socially, and personally.

HEALTH AND SAFETY GUIDELINES
USE OF FACE MASKS (STUDENTS)
Face masks will be required at all times on campus indoors. Masks are not required outdoors at this time. Special consideration will be made when eating indoors is necessary.

- Conduct the process for mask accommodation if a student is unable to wear a face mask, alternative protection strategies may be adopted. A face mask accommodation process is in place to support the needs of students who are unable to comply with wearing a mask due to disability.

- Students who do not follow the mask mandate and who do not have an accommodation should consider enrollment at the Virtual Academy.

Students are expected to arrive 10 to 25 minutes before the first bell rings. Students arriving 25 minutes before the bell must be in an assigned, pre-arranged class or the Prime Time Program. Students must stay on campus once dropped off at school in the morning. Each morning, all gates are locked shortly after the start of the first period. Students arriving after the gates are locked must enter through the Main Office. After school, students are expected to arrive at their after-school destination (e.g. Primetime, tutoring, library, sidewalk for pick-up, etc.) within 5 minutes of the dismissal bell. Students without plans to stay after school should be picked up by parents within 5 minutes of the dismissal bell. Gates are locked approximately 5 minutes after the dismissal bell; any remaining students would then have to exit through the Main Office.

Parents need to call the attendance office at 858-810-7500 on each day that a student is absent. California Education Code requires the parent to indicate the reason for the absence. Marston uses a message machine for early morning calls. **If a student arrives after the school day has begun, the student should report to the Attendance clerk for a pass to class.** Missing the bus, oversleeping, etc., with or without verification is not an excuse. Students missing 5 or more consecutive days of school need to submit a *Contract for Independent Study* at least **one week** in advance of the first day of absence. Parents who need to pick up their child for any reason during the school day, should notify the office in the morning on the day of the appointment. Please be advised that pulling a student out of class can take up to 15 minutes, especially if the student is in a physical education class.

Students with six or more tardies throughout the year will be assigned to three days of after school detention to clear tardies. Parents will be notified in advance prior to students staying after school. In addition, Marston plans to offer Saturday Enrichment Program for students to clear one full day of absence originally coded as Illness, Unexcused or Unverified. Additionally, students can clear up to eight tardies when they attend the Saturday Enrichment Program throughout the year. The aforementioned practices were current at the time of printing; Marston Administration reserves the right to make changes they feel are necessary.

**RECOGNITION OF POSITIVE CHOICES**
Marston students are recognized for positive behavior in various ways including: *Weekly Caught Being Good* drawings, awards assemblies and ice cream for earning exclusively Es and Gs on progress reports.

**Marston Middle School Grading Policies**

**ACADEMIC GRADES**

Per SDUSD AR 5121, “*Academic Grades shall be based solely on students’ current levels of mastery of the Board-adopted standards and shall not be influenced by behavior or non-academic measures.*”

Each Marston teacher creates a syllabus that contains an overview of the course-specific standards and grading policies. Teachers communicate the assignments, indicate how the assignments are scored and regularly post the scores on Powerschool. Unless otherwise stated in the syllabus, the academic grade completely resets at the semester. Six-week progress reports (P1, P2, P3 and P4) are merely updates. Progress report errors will be updated in Powerschool but will likely not result in a retroactive progress report grade change.

California Education Code 49066(a)

*When grades are given for any course of instruction taught in a school district, the grade given to each pupil shall be the grade determined by the teacher of the course and the determination of the pupil’s grade by the teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final.*

**CITIZENSHIP GRADES**

Per SDUSD AR 5121, “*Citizenship marks shall not be influenced by academic marks and reflect the student’s general behavior, punctuality, effort, and work habits within the school community. These marks are indications of the student’s ability to participate effectively in a democratic society...*”
Marston teachers calculate citizenship grades by matching their observations over 6-weeks to the Marston Citizenship Grading Rubric. Parents and students interested in knowing citizenship grades between progress reports should contact the teacher directly.

At Marston Middle School, the default citizenship grade for all students is an “M.” As described in the citizenship grade rubric, “consistently exceeding expectations” are needed to earn an “E.” Citizenship grades on each progress report (P1, P2, P3 and P4) reflect only the student behavior observed within that specific grading period. The semester (S1 and S2) citizenship grades reflect the student’s citizenship over the entire semester.

**Intervention & Exploration Advisory Program**

In an effort to ensure that all Marston students receive the level of needed support to meet standards in English, Math, Science, and History, we operate an advisory program to provide intervention and exploration within the school day.

- Key Learning Targets are published for each core class (English, Math, Science & History).
- Students know what is expected and what will be assessed.
- Assessment will show mastery or the need for intervention (more time and support).
- Students control their participation in exploration activities based on completion of assignments and mastery of the Key Learning Targets.

**INTERVENTION**

Intervention classes are an opportunity to revisit subject matter and ensure proficiency in the core subjects. Using common assessments and professional judgment, teachers will determine which students are in need of intervention. In the three week intervention cycle, students will revisit the
Key Learning Targets for the previous three weeks and complete assignments that will help them to improve grades and test scores.

**STUDY HALL**

In study hall, students complete assignments that they previously did not complete for additional points toward their grade(s). When study hall students catch up on their missing work, they will become eligible for exploration courses at the next 3-week cycle change or potentially earlier.

**EXPLORATION CLASSES**

There are no academic grades for these classes, just lots of fun while learning! The classes fall into the following categories:

- Sports & Physical Activities
- Visual & Performing Arts
- Leadership
- Home Arts, Crafts, Hobbies & Games
- Science & Technology
- Language & Literature

Exploration courses are offered based on student interest and teacher availability. Visit the Marston website for current exploration offerings. Students submit their preferred exploration courses at the beginning of each semester.

**Success Advisory**

Success Advisory is a yearlong advisory in which consistent academic support is provided to select students. Students are nominated by their teacher for this specialized advisory. Students will also be required to abide by a contract outlining advisory expectations.

*NOTE: The Marston staff uses the aforementioned criteria to best place students in advisory classes. Concerns about placement in advisory classes should be directed to the Site Tech and Administration.*

**LIBRARY**

*Procedures:* A student must have a pass to come to the library during class time. The pass should originate with the classroom teacher. Students must also have a pass if they come at lunch. That pass must be obtained from a staff member on the lunch court after the student is finished eating. Passes are not required before or after school.

*Behavior:* The library is a wonderful place for pleasure reading, studying, research, and reference work. Students who are disruptive will be asked to leave. Eating or drinking in the library is not allowed.

*Circulation:* In order to check out a book, students must have an ID card or binder with the proper name printed on it. Present the book you want to check out and your identification at the Circulation Desk where the book will be stamped with the due date. Students may check out up to five books at
one time. Books may be renewed for an additional two weeks. Return books any time that the library is open. Please make every attempt to return the book on time or to have it renewed. Lost books must be paid for promptly and in full. If the book is found, the money will be reimbursed (keep the receipt). Eighth graders owing library fines will not be allowed to attend end-of-the-year 8th grade activities.

Organization in Middle School
Staying organized is an important part of a successful school experience. A 3-ring binder devoted just to schoolwork will go a long way to help you with that.

**BINDER:** Marston encourages all students to have binder brought to school every day. This will help students keep their class materials organized.

It should include:

1. Student’s first and last name written on the front cover.
2. An assignment calendar (or student agenda). It should be filled out daily.
3. Pencils, pens, erasers (in a pouch) and paper.
4. Subject dividers.

**STUDENT AGENDAS:** This student agenda is free to students. Replacements cost $5.00

Students are expected to:

- Write in your assignments for every class – every day.
- Record the dates of tests.
- Record the dates assignments are due.
- Record the dates special projects are due.
- Have a parent or responsible adult sign your agenda every week.

*Parents are also encouraged to check their student’s binder and backpack each night to ensure it is organized and class assignments are being completed.*

Monitoring Homework and Grades

**Power School:** check grades online

- Sign up to check grades and attendance online through PowerSchool. Go to [https://docs.google.com/forms/d/e/1FAIpQLSc6OFn2qtJ-FTf8p4b0Gh8eYBjT4OFwntSSUdTyG6wCBiXDg/viewform?vc=0&c=0&w=1&flr=0](https://docs.google.com/forms/d/e/1FAIpQLSc6OFn2qtJ-FTf8p4b0Gh8eYBjT4OFwntSSUdTyG6wCBiXDg/viewform?vc=0&c=0&w=1&flr=0) to sign up for Parent Portal access.
- You will need the internet to use Power School and can access it from a smartphone.

**Contact Your Student’s Teachers:**
Go to https://marston.sandiegounified.org/educational_support/staff/marston_faculty and click on the name of the teacher. Then click on their email address.

Other Helpful Tips
➢ Limit use of electronics to 30 minutes each night, after homework is complete.
➢ Have your child tell you about each class and the classwork and projects that took place. Ask to see completed assignments.
➢ Require 30 minutes or more of reading each night.
➢ If your child is struggling, email the teacher or schedule a conference as soon as possible.
➢ Ensure your child attends school regularly.

NETWORK USE GUIDELINES
(Reference District Procedure 4580)

Students will have access to:
● Electronic mail (e-mail) communication with people all over the world.
● Information and news from a variety of sources including libraries and research institutions.
● Public domain and shareware software of all types.
● Discussion groups on a wide variety of topics.

Responsibilities. The San Diego Unified School District has taken reasonable precautions to restrict access to “harmful matter” and to materials that do not support approved educational objectives. However, on a public network it is impossible to control all materials. “Harmful matter” means matter that, taken as a whole by the average person applying contemporary statewide standards, describes in a patently offensive way material which lacks serious literary, artistic, political, or scientific value for minors (Penal Code, Section 313). The teacher/staff will choose resources on the Internet that are appropriate for classroom instruction and/or research for the needs, maturity, and ability of their students. San Diego City Schools take no responsibility for the accuracy or quality of information from Internet sources. Use of any information obtained through the Internet is at the user’s risk.

Prohibited Use. Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to, the distribution of:
   a) Any information which violates or infringes upon the rights of any other person.
   b) Any defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
   c) Advertisements, solicitations, commercial ventures, or political lobbying.
   d) Any information that encourages the use of controlled substances or the use of the system for the purpose of inciting crime.
   e) Any material that violates copyright laws (District Administrative Procedure 7038).
   f) Any vandalism, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software, is strictly prohibited (Penal Code, Section 502).

Warning: Inappropriate use may result in the cancellation of network privileges. The site system administrator(s) or district security administrator may close an account at any time deemed necessary. Depending on the seriousness of the offense, any combination of the following policies/procedures will be enforced: Education Code, district procedures, and school site discipline/network use policy.
Privileges. The use of district networks and the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The administration, teachers, and/or staff may request the site system administrator or district security administrator to deny, revoke, or suspend specific user access.

Security. Security on any computer system is a high priority. Anyone aware of a security problem on district networks should notify the San Diego Unified Educational Technology Department. Problems should not be demonstrated to other users. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to district networks and the Internet.

Vandalism. Vandalism will result in cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

**BULLYING IS PROHIBITED AT MARSTON**

If someone is being a bully, it means they need our help to be a better person. Do not ignore it. That won’t help anybody and it will most likely happen again. The adults can help!

If you observe or experience bullying or harassment of any kind:

**Tell the bully to stop.** You deserve a school that is free from this kind of behavior. Be an upstander by checking in with the victim, get the target out of the situation and make sure they are okay.

**Report it to an adult.** Tell a trusted adult (teacher, counselor, administrator, or parent) or submit an anonymous report on the Marston website. If it happens to someone you know, encourage that person to report it – go with them for support. Report it yourself if the other person won’t. Don’t be a victim.

**Possible Consequences:** School is about learning, and we are going to do everything we can to help the bully learn to make better choices. This help may be through learning how to apologize, mediation and restorative circles, counseling, talking with parents, using a behavior log, participating in a special character-building course or disciplinary action through the school or arrest by School Police.

You have the right to have a school that is free of bullying behavior!

It is your civic responsibility to do something about bullying when you see it happening. If you see it, and do nothing, you are part of the problem.

**REPORT A CONCERN**
The Marston staff is committed to providing all students with an excellent education in a positive learning environment. While it is often best to share concerns directly to the designated staff member, Marston welcomes anonymous concerns which are routed to the Marston Administration. Submit anonymous concerns by clicking the “Report a Concern” link on the Marston website.
