Phase 2 of Reopening School

SDUSD will transition students to on-campus learning via a hybrid learning model.

Parent Meeting April 5, 2021 at 5pm
Students will return onsite Monday, April 12, 2021.
What is Phase 2?

- SDUSD plan for reopening schools for all students.
- The reopening plan will be followed by all SDUSD K-12 schools.
Phase 2 Schedule Overview
Model 1: Online Only

Mornings:
- 4 days per week, students will receive 3 hours of instruction online from their teacher
- 30 min lunch and Recess

Afternoon:
- Students will have 3 hours of asynchronous work per day. Asynchronous learning allows you to learn on your own schedule, within a certain timeframe. You can access and complete math, reading, science, homework and other learning materials at any time during a one- or two- day/week period. A big benefit to asynchronous classes is, of course, the flexibility.
Phase 2 Schedule Overview

Model 2: 4 Days Onsite

5 hours of instruction on campus with their teacher Monday - Thursday

Mornings:
- 4 days per week, students will receive 3 hours of simultaneous online and onsite instruction
- 30 min lunch

Afternoon:
- 2 hours of asynchronous instruction at school

Dismissal:
- All students will have 1 hour of asynchronous work at home
*Please note
