

Counselors facilitating Naviance Family Connection training for 7th and 8th grade

Naviance Family Connection is a web-based resource for students and parents that encourages and supports post high school, career and college planning. Naviance provides students and families with the framework to dream, explore, plan, and progress towards career, community and academic goals. At the middle level students and parents are able to:

- Begin to explore and search for careers, career clusters and pathways
- Begin to explore and search for colleges
- Develop a prospective college list
- Complete custom school based surveys
- Link to a wide range of selected resources

Pacific Beach Middle School parents can use their students' "Moodle" ID and password to log in at <http://connection.naviance.com/pacificbeach> or find the Naviance link on the PB Middle website under the Counseling Department webpage.

Counselors at PBMS facilitated a Naviance training with 8th grade students in February and March through their history classes using a career assessments tool, Career Key. Ask your 8th grader to log in and show you their profile! Counselors will be facilitating Naviance training with 7th graders in the spring.

For additional questions, please contact Paulette Blankenbeckler, PBMS Head Counselor, at pblankenbeckler@sandi.net or (858) 273-9070 ext. 2214
