

## Creating A Parent Portal Account

1. Open a web browser (Firefox, Safari, or Internet Explorer), and enter this web address: **powerschool.sandi.net**  
The window changes to the following:

**Parent Sign In**

Username

Password

[Having trouble signing in?](#)

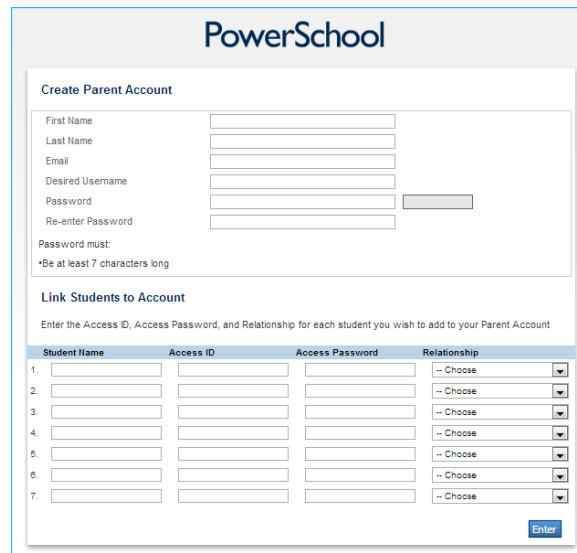

**Sign In**

**Create an Account**

Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)

**Create Account**

2. Simply click **Create Account** at the bottom of the window (without typing anything in the blank fields).  
The window changes to the following:

**PowerSchool**

Create Parent Account

First Name

Last Name

Email

Desired Username

Password

Re-enter Password

Password must:  
 •Be at least 7 characters long

**Link Students to Account**

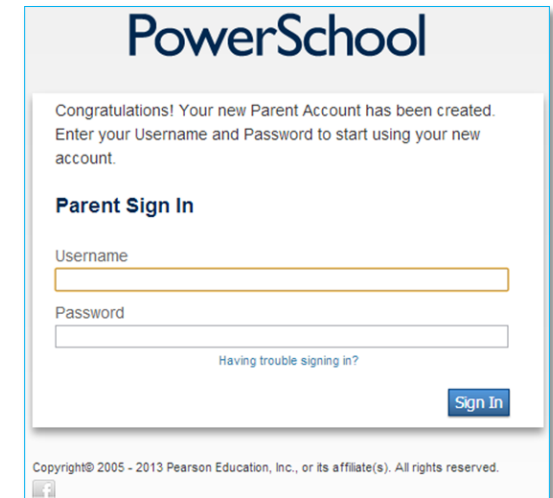

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

Student Name	Access ID	Access Password	Relationship
1. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
2. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
3. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
4. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
5. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
6. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>
7. <input type="text"/>	<input type="text"/>	<input type="text"/>	-- Choose <input type="button" value="v"/>

**Enter**

3. In the Create Parent Account area at the top of this window, enter *your* name, email address, a Desired Username that you will enter every time you log in to the Parent Portal, and a Password that you will enter every time you log in to the Parent Portal.  
The password must be 7 characters or more.
4. Enter your child's name, Access ID, and Access Password. (Access ID and Access Password was given to you by your child's school.) Choose your Relationship to the child from the drop-down menu.  
If you have other children enrolled in San Diego Unified School district, enter their names, Access IDs, Access Passwords, and Relationships.

5. Click **Enter**.  
The window changes to the following:

**PowerSchool**

Congratulations! Your new Parent Account has been created.  
 Enter your Username and Password to start using your new account.

## Signing In to Your New Account for the First Time

6. In the blank **Username** field, enter the Desired Username you just created.
7. In the blank **Password** field, enter the password you just created.
8. Click **Sign In**.

## Signing In to Your Account After Your First Time

1. Open a web browser (Firefox, Safari, or Internet Explorer), and enter this web address: **powerschool.sandi.net**  
The window changes to the following:

The screenshot shows a web form titled "Parent Sign In". It has two input fields: "Username" and "Password". Below the password field is a link that says "Having trouble signing in?". There are two buttons: a blue "Sign In" button and a blue "Create Account" button. Below the "Create Account" button is a section titled "Create an Account" with a paragraph of text: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)"

2. In the blank **Username** field at the top of the window, enter the Desired Username you just created.
3. In the blank **Password** field, enter the password you just created.
4. Click **Sign In**.
