San Diego met high school is accepting new applications for grades 9, 10, 11, and 12.

To hold a space at the San Diego Met, parent/guardian and student must do the following:

1. Complete the application, including all pages, and attach everything together securely. (Incomplete applications cannot be processed.)
2. Return the application as soon as possible to:

   San Diego Met High School
   7250 Mesa College Drive, K-203
   San Diego, CA 92111
   Voice: 619-388-2299
   Fax: 619-388-5734
   Attn: Robert Fung - Principal
   rfung@sandi.net

Qualities of a Met Student:
If you can check these boxes, your student is suited to the learning style provided by the Met. Consider all of these items before filling out the application.

My student is:
- Searching for a vigorous college prep program that includes community college coursework.
- Excited to participate in professional internships 2 days a week, where they will develop their professional abilities.
- Looking forward to enrolling in Mesa College classes during 10th, 11th and 12th grade.
- Able to handle independent study work to keep up with their classes that meet 3 days a week.
- Good with time management to balance the various responsibilities the Met expects.
- Excited to build a strong relationship within a small school environment.

ENROLLMENT
Once the student's application and transcripts (for grades 10, 11 and 12) have been reviewed, eligible students will be contacted by a Met staff member to schedule an enrollment appointment and interview. The purpose of the interview is to determine whether the SD Met High School is the best option for the student. Campus tours and shadow opportunities are available throughout the school year. Please call the school at 619-388-2299 if you have any questions or would like to tour the Met campus.

STUDENT EXPECTATIONS

If I attend the San Diego Met, I agree to the following expectations:

- Make education a high priority in my life, including positive participation in class, turning in homework and assignments on time, utilize the Met’s before and after school tutoring and attending office hours with Mesa College professors.

- Devote a minimum of three hours each evening to homework, studying, reading and preparing for my college courses and internships.

- Be punctual, maintain excellent attendance and work ethic in all classes and internships.

- Take responsibility for my own learning, behavior, success, dress appropriately and adhere to all community expectations.

- Demonstrate the ability to make appropriate choices and accept responsibility for those choices.

- Show respect for everyone in the school community and the rights of others to learn and succeed.

- Behave in a manner that shows respect for the college campus, school facilities, and equipment.

- Maturely handle the freedoms and scheduling of a college setting, and understand that Met’s presence on the college campus is a privilege, not a right.

- Understand that the rigor of a community college based high school program requires time management skills, organizational skills and self discipline.

- Adhere to the acceptable use policies for technology of San Diego Met, Mesa College, and internship businesses.

- Prepare for PSAT, SAT, ACT, and attend college after graduation from high school.

- Understand that I may be referred to another SDUSD program if I do not maintain a 2.5 grade point average in high school classes and a 2.0 grade point average in Mesa College classes. Further, if I am not recommended for the Met’s internship program and Mesa College courses, I may be referred to a different program that matches my needs. ____________ init

PARENT AGREEMENT

Student’s Name: _________________________________________________________________

If my child is accepted at San Diego Met High School, I agree to:

- Provide one to three hours each evening for my child to do homework, study, read, and prepare for college courses and internships.
- Ensure that my child has transportation to get to school and their internships on time.
- Understand that some Mesa College classes may extend into the late afternoon, and that some internships are only available for students who are able to work into the late afternoon.
- Support daily attendance and inform us on any day of absence.
- Schedule all family vacations and doctor appointments when school and internship are not in session.
- Participate in parent/school functions such as Exhibitions, Student-Led Conferences, Back to School Night, and Open House.
- Keep informed about Met activities by reading all material sent home, including the family newsletter.
- Respond to phone calls, e-mails, and written communication concerning your student’s academic and social-emotional needs.
- Recognize that my child is responsible for adhering to the acceptable use policies for technology of San Diego Met, Mesa College, and internship organizations.
- Encourage my child to continue to attend college after graduation from high school.

- Understand that my child may be referred to another SDUSD program if he or she does not maintain a 2.5 grade point average in high school classes and a 2.0 grade point average in college classes. Furthermore, if your child is not recommended for the Met's internship program and Mesa College courses, they may be referred to a different program that matches their needs.

**PLEASE CONSIDER EACH ITEM ON THIS FORM COMPLETELY TO ENSURE YOU ARE ENROLLING IN THE RIGHT SCHOOL FOR YOU!**

Our Commitment to You

This is what you can expect from the dedicated faculty and staff of San Diego Met:

- A rigorous college preparatory classroom experience.
- Hands on, inquiry-based learning that engages students in meaningful and interesting classroom work.
- Personalized learning that encourages students to engage in research that deepens their areas of interest.
- Meaningful adult relationships with all faculty and staff. In particular, a deep relationship with the advisor who will be with your student for multiple years.
- Thorough preparation for internships and vigorous adult support in placing and overseeing your student in their internship experiences.
- Academic support to ensure success in Mesa College coursework.
- Access to San Diego Mesa College classes and campus resources, including the Learning Resource Center, Tutoring Centers, Mesa Commons, and a dedicated Mesa College counselor assigned to assist our students with their college experience.
- Small group, advisory based assistance with the college and financial aid application process.
- Student-centered and restorative responses to any social challenge or conflict that may occur.
- Open lines of communication between families and staff that encourages dialogue and growth for all members of our community.
- Exhibitions of learning at the end of each semester that celebrate the learning and growth of our students.
- Student-led conferences each semester where students and parents are informed of any academic and social-emotional needs, and students discuss their successes and challenges.
