- Promotion Update: As of now, 85 students do not meet the requirement for graduating to 9th grade. Approximately 60 students will not be walking across the stage at promotion; however, that number of students will decrease before the grading deadline.
- API Status: Currently Taft is a Decile 6 school and our achievement level is ranked at 9, which is excellent, 10 is the highest ranking. We are at the top of all achieving schools in our area.
- Benchmark Data: Overall Mike George was not happy with our 3rd Benchmark scores. However, after reviewing the scores from the previous Benchmarks, our students do show growth in achievement from Benchmark 1 to Benchmark 2.

Committee Reports: None.

Round Table:

- Dave Munz mentioned that he read the letter from the Fletcher family and was pleased to hear they are recognizing Taft as a great school.
- Mike George reported that he suppose to give a survey in order to get the Single Site Plan together. However, he just got the information/download for the Single Site plan and he has to meet with a technician to learn the new program and understand the information. Each year they change the format, program and delivery of the Single Site Plan.
