# Planning for Special Education Services at your Site

## QUESTIONS FOR PLANNING

### SITE
- □ How many classrooms do you have per grade level?
- □ Do you have teachers with a dual credential (spec.ed/gen. ed, content area)?

### STUDENTS
- □ How many students will you have at each grade level?
- □ How many students will you have at each grade level with IEP’s

### STAFF
- □ Teachers per grade level?
- □ How many Ed-Specialists?
- □ How many Paraeducators?
- □ Related service staff?
- □ Is there room for co-teaching (peer tutoring, teachers, related service staff, ed-specialist, etc.)

### IEP DEMANDS
- □ How many students receive SAI in a separate classroom 0-15 hours a week?
- □ How many students receive SAI in a separate classroom 15-30 hours a week?
- □ How many students receive SAI within the general ed. classroom 0-15 hours a week?
- □ How many students receive SAI within the general ed. classroom 15-30 hours a week?
- □ How many students receive speech language services?
