Procedural Update

Federal/School Setting Update

All students aged 5.6 years old with IEPs must have their IEPs updated to show the correct Federal/School Setting location by their sixth birthday. This can be done by completing the current IEP or An Agreement to Amend Without Convening a Meeting. Currently, all IEPs must be updated by June 25th, 2018.

Students with IEPs 5 years of age will have a Federal/Preschool Setting:

The IEP must be amended by the student’s 6th birthday to drop the Federal/Preschool Setting location and now have a Federal/School Setting location that matches what they are currently receiving, such as:

The system has been set to not allow this change to occur for the student prior to 5 years 6 months of age.
