Hello, SDHS Family! A few items of note this week...

SDHS STEP 22 Tutoring Program

Step 22 begins this Tuesday the 14th after school from 2:30-4:30 for those who wish to attend in person. Students will report to Ms. Linda Swafford in Room 301 for a snack and their room assignment/s for tutoring. Students can be assigned multiple content area classes to visit, for example: English and math, to help them in their studies. Also remember that if your student has after school commitments, they can join a zoom session in the evening for additional help. Please contact Ms. Swafford at swafford_linda@hcde.org if this is the case for your student.

Buses: we have already arranged bus transportation for those who signed up. However, if your student needs transportation
within the established routes, we can add your student. Otherwise, they must wait until new routes are planned 2nd quarter. If you need to check to see if your student falls within these routes and you previously did not register, please email williams_jennifer@hcde.org to check.

---

Virtual School Enrollment Update

If your student is interested in attending school online with the Hamilton County Virtual School this quarter/year, please know that HCS has updated its enrollment periods. Students can now be registered to attend Virtual School every quarter instead of every semester. Please Note:

- Virtual School will continue to enroll students for the 1st quarter.
- The deadline to enroll for the 2nd quarter is October 6th.
- The deadline for withdrawing from the Virtual School and returning to your prior school for the 2nd quarter is October 6th.
For more information on Virtual School enrollment, email Lee Boles at boles_lee@hcde.org.
