The MAC is pleased to offer school field trip programs that complement and enhance elementary, middle school, and high school student learning. Our goal is to make history, art, and culture come alive through engaging exhibits, guided tours, and facilitated programs.

MARCH 22-JUNE 17, 2022
Morning and afternoon options

During their field trip, students will have the opportunity to experience DreamWorks Animation: The Exhibition - Journey from Sketch to Screen, and Golden Harvest: Flour Sacks from the Permanent Collection and Awakenings: Traditional Canoes and Calling the Salmon Home. Morning visits will also include the historic Campbell House. The MAC field trip programs complement and enhance elementary, middle school, and high school student learning as they align with state and national standards.

Field Trip Price

$10 per student
$4 per student for Title One Schools

Need additional funding support? Complete the Funding Request Form on our website during registration.
