Welcome Letter to Substitutes

Welcome to the University Place School District! You are joining a strong team of educators, each of whom has been carefully selected to work with students in our schools.

In the University Place School District we employ both certificated (teachers) and classified (paraeducator, bus driver, food service, secretarial, custodial, etc.) substitutes. We attach great importance to the role of substitutes and trust that you understand the vital role you play in our day-to-day operations. The information in this handbook is intended to assist you by helping you understand our procedures and expectations. We trust you will refer to it regularly.

**Classified substitutes’ time and assignments vary widely. The Substitute Coordinator or the Substitute Online process will assign classified substitutes, but the job expectations will be defined at the site. Information in this handbook may not directly apply to each classified substitute group but expectations are important for all substitutes to review.**

University Place School District uses Substitute Online for filling open positions. Occasionally substitute jobs come open at the last minute. If that is the case, the Substitute Coordinator will notify you by phone when a job is available.

Please note the UPSD Sexual Harassment Policy, Duty to Report, and Boundary Invasion information. If you have any questions, please let me know. Again, welcome to our district and thank you for your service to UPSD students! Please let me know if there is any way I can be of assistance to you – (253) 566-5600 x3315.

Sincerely,

Eric Brubaker

At-Will Employment Notice of Disclaimer

Substitute employment is an at-will relationship between the University Place School District and the substitute employee. Due to the at-will nature of this relationship, it may be terminated at any time by either party. Accepting substitute work is by no means an offer of permanent and/or on-going employment. Additionally, nothing in employee manuals, personnel policies, employment documentation, substitute handbooks, or oral communication shall be deemed to create an employment contract or to modify this at-will relationship. No person other than the Superintendent of the District has the authority to bind the District to an employment contract or an agreement to modify the at-will employment.

About Substitute Online

University Place School District uses an online request system, Substitute Online. Some of the advantages to **Substitute Online** are:

- 24 hours/7 days a week access, automatic update of jobs every 3 minutes
- Ability to choose, select & assign yourself to any available jobs, even months ahead
- Teachers may pre-arrange with you directly, to assign you the job
- Lesson plans (if teacher provides them) for you to preview and print out
- Option to communicate with teacher directly (based upon teacher's request)
- Assignments held for you if a teacher requests you (48 hours or until 6 PM the day before the assignment begins)
- Ability to update your weekly availability or unavailability with one click
- Ability to pass over schools or jobs where you don’t want to be considered
- Your own Calendar with job details and availability option, by shift

All of the above items can be done 24 hours per day, 7 days a week from any Internet access—without having to contact the Substitute Office! If you do not have access to the Internet at home, you still have the option of calling the Substitute Office for assignments. We may also continue to contact you by phone to fill last minute assignments.
To access Substitute Online, go to the following URL (http://www.substituteonline.com), enter your User Name, Password, select University Place School District, and click Logon.

When you log on to Substitute Online, you will see a list of substitute jobs that are available and you can select the job(s) that you wish to take. Click on the Detail box next to the assignment you are interested in, and more information will be displayed below. If this is a job you would like to accept, click on Submit Job Request at the bottom of the page. If no other substitute has taken this job first, you will be given a confirmation number for this assignment. If already taken, you can click on Open Jobs to update your list and select another position. You can review your chosen assignments at any time by going to the Review/Cancel button at the top of the page, or by going to your personal Calendar on your Personal Info page.

It is important to update your personal information on the system, so that if one of our employees specifically requests you, you can receive that request via email.

To update personal information:
2. Click on Personal Information near the top of your screen.
3. Enter your email address and check your phone number.
4. You can select the days of the week you are not available to work on a regular basis, if that applies to you.
5. When finished updating your personal information, make sure you click on the green button at the bottom of your screen that says Update Personal Information.

If you are a certificated substitute (teacher), while you are in the personal information section you can enter the subject codes that you prefer to teach. Classified substitutes will have their codes entered by the district.

While in the Personal Information screen, substitutes are able to access their own personal calendar at a button labeled Calendar at the lower left of the screen. This allows you to see what jobs you are scheduled for and also allows you to indicate days you are not available.
Go to http://www.substitueonline.com

As an approved substitute, you must first Log In.

The program requires your User Name and Password.

Select Univ PI SD from the ‘select district’ drop down. Click the Logon button.

The system automatically generates a list of all available job openings.

KAROL GARCIA is our sample substitute.

She can see from the Req column that she has been requested by BARBARA AAKER to teach Math at Washoe High for two consecutive days starting 11/16/99.

Click box ‘Details’ to show the employee name, phone number and email. KAROL may also view more detailed information on each consecutive day of absence for this job.

KAROL may click on Comments/ Lessons to view and print a lesson plan if left by the absent teacher.

KAROL clicks on **SUBMIT JOB REQUEST**. If no other substitute has taken this job first, she will receive a confirmation number. If already taken, she would immediately click on Open Jobs to update her list and select another position.
INFORMATION FOR ALL SUBS

At the beginning of each day’s service, the substitute must sign in with the office coordinator or secretary at the main office of the school in which they are substituting.

Substitute Online is our online substitute request system. It is updated within 3 minutes of a staff member putting their absence in the system. Good times to check the system are:

- **in the morning** when staff members are getting up and realizing that they are too ill to work
- **at 6:00 p.m.** when substitute jobs which were being held for preferred subs and were not taken become available to all subs, and
- **in the evening**, when staff are going to bed and realizing that they are too sick to come to work in the morning.

However, absences for appointments or conferences can be put in at any time, so check the system at any time for updates.

Substitutes are employed to fill in for staff who are absent during the student calendar. There are no jobs available during student vacation days or holidays. Substitutes can expect to return as substitutes following any vacation days or breaks. All work is on an as-needed basis with no guarantee of hours to be worked. Substitutes must work a minimum of 3 shifts during the school year to remain active on the substitute list.

RESPONSIBILITIES OF SUBSTITUTES

A. CONFIDENTIALITY
We serve approximately 5500 students and employ over 600 staff members. Confidential material is routinely gathered and maintained during normal operations. As a substitute in our district, all information is to remain confidential and should be accessed on a “need to know” basis only. Confidential information is not to be discussed in the teachers’ lounge or other “common areas” and should never be discussed outside of the school setting.

B. ARRIVAL AND DEPARTURE TIMES FOR SUBSTITUTE TEACHERS
Arrival time should be 30 minutes before students or as close to this time as possible. Departure time is 30 minutes after the end of the student day. The substitute teacher’s day will primarily consist of 7 hours plus a 30 minute unpaid lunch. Please talk with the Building Administrator/Principal regarding adjustment in schedule time. The following is the school schedule:

**check with the teacher or office coordinator to see if this time schedule applies to you, or if you are to sub for the AM shift only on Early Release days.
In situations when you are called late, it will be difficult, or impossible, to arrive by the time indicated. This is understood and accepted as unavoidable. However, each substitute is expected to make every effort to arrive according to the start time schedule. Furthermore, there may be times when you are asked to substitute for a half day, or when you will spend the morning in one classroom and the afternoon in another. **Substitutes are not provided a plan period.** If no direction was given by the absent teacher regarding what to do during that period, please check with the main office to find out what they would like you to do, as you are paid for that time.

You should report directly to the school office and will be given a Substitute Teacher folder which will contain all information and materials pertinent to the school position involved.

**C. LESSON PLANS AND MATERIALS**
Lesson plans are usually found in the absent teacher’s classroom, in the school office, or posted in Substitute Online. However, since it is impossible to always anticipate illness, and since plans change with the regular teacher from day-to-day, it is advisable for you to develop short units and activities of your own when not provided a lesson plan by the teacher. If you are unable to follow the plan for whatever reason, explain the problem in a note to the teacher or principal before you leave school each day. Please be specific, e.g. lack of expertise, plan unclear, lack of instructional materials, etc.

**D. ROOM CARE**
The room should be left clean, orderly and in good condition. Chairs should be in their proper places, paper picked up and windows closed. This is not, however, to suggest that the substitute teacher is expected to do the picking up – you should see that it is done by students.

**E. CLASSROOM MANAGEMENT**
A few simple suggestions will help you establish good class routines, provide for an efficient learning situation, and establish mutual respect between teacher and students.

1. **Be Positive and Friendly** – Students respond well to a positive climate.
2. **Be Patient** – It is natural for a class to test a substitute. You represent a change for the students. Patience, understanding, firmness, and respect will diminish distrust.
3. **Expect Good Behavior** – Children tend to respond to whatever we expect of them. A positive approach is worth a hundred negative rules.
4. **Be Fair and Consistent** – Your success in classroom management will depend to a great extent on your degree of fairness and consistent treatment. Children must know what to expect of you and what you expect of them. Uncertainty breeds misbehavior.
5. **Be Ready** – Materials and plans for the day are a must. This is another reason for getting in early and ensuring that you know what you want the class to be doing during the day.
6. **Plan Time Appropriately** – This is needed especially on the secondary level when classes change each period. Leave enough time at the end of each period for the class to gather materials together and for you to prepare for the next group.
7. **Use Common Sense** -- enough said!
8. **Request Assistance** – If you need help, please be sure to make your needs known to a co-worker or at the school office.

**F. TEACHING THE CLASS**
The substitute teacher has the prime responsibility to instruct based upon the regular teacher’s lesson plan. The following suggestions are offered:

1. **Be Prepared** – Through plans and materials left by the regular teacher or through the use of short units of your own.
2. **Be On Time** – Do not give the class time to develop restlessness and disinterest. Begin immediately and get the students involved.

3. **Introduce Yourself** – Explain why you are there and emphasize that class will be conducted as usual according to the regular teacher’s instructional practices.

4. **Explain Your Expectations** – Be clear with what you want students to do.

5. **Make Clear Presentations** – What the children gain from the lesson will depend on how well you present it.

6. **Provide for Child Involvement** – In a really good lesson, children should play an active part. Be sure that directions are clear and supervision is provided.

**G. ACCIDENTS AND INJURIES**

Always use common sense when an accident or injury occurs. Do not leave the injured student. Use the phone or emergency button to get help. Attend to the injury and send a student messenger to the office or nearest staff member for help. Particular attention to preventing accidents or injuries must be given when supervising playground areas, physical education classes, and science classes.

The University Place School District has a standard incident report form that must be filled out when an accident or injury occurs to any student. Forms are available from the school nurse and in the school office. Notify the office immediately of any accident and complete the appropriate paperwork. Provide the paperwork to an administrator before leaving for the day.

Children who become sick either in the classroom or on the field should not be sent to the office or restroom alone. Either send a reliable child with the student or get help from another staff member.

**H. ENDING THE DAY**

The substitute teacher, like the regular teacher, is required to complete a full school day. Besides leaving the room in good order, you should have completed the grading of any assigned papers, prepared for the next day’s classes (to the extent possible, if returning), attended any building meetings (unless excused by the principal), and returned the Substitute Teacher folder and any building keys to the office. Please make sure you sign a sign-out sheet at the end of the day when you check out.

It is also required that you leave a brief written comment on each class or subject for the day. Note any assignments or activities the class covered, particularly in reference to the lesson plans left by the regular teacher. It is also helpful to leave your name and phone number in the event a follow-up is desired by the regular teacher. Your notes and comments are very useful.

**I. RELEASE OF STUDENTS & VISITOR INFORMATION**

No substitute teacher in primary, elementary, intermediate, or secondary schools will ever release a student from class without specific authorization from the school office. Any parents or visitors to a building must report to the office first and obtain permission before visiting any classrooms.

**J. DRUG-FREE WORKPLACE / SCHOOLS**

The manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on University Place School District property. Violation of such prohibition will result in disciplinary action up to, and including, termination of employment. As a condition of employment, you must abide by the terms of this statement and must notify the district office of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (RCW 28A.320.040).

Under the Drug-Free Schools and Communities Act, all schools must be totally free of drugs and alcohol. No one is allowed to possess, use or distribute such drugs or alcohol while on district property or while taking part in any school activity.
The passage of I-502 did not change University Place School District policies that prohibit the production, distribution, possession, or use of marijuana on school district property or during school-sponsored activities. Violation of these policies may result in disciplinary action up to and including termination of employment.

Under Federal regulations some University Place School District employees (i.e., bus drivers) are subject to drug and alcohol testing because of the type of work they perform. Testing positive for marijuana is a violation of these regulations and will remain grounds for employment sanctions including termination, even if the marijuana use occurred outside of work hours and otherwise in accordance with state law.

We fully support the Drug-Free Schools and Community Act. It is expected that all students and employees will follow the regulations and policy prohibiting possession, use or distribution of drugs and alcohol on school property or as a part of any school activity.

K. TOBACCO
The use of tobacco is prohibited on school property and at school events.

L. MANDATORY REPORTING OF SUSPECTED CHILD ABUSE
As an employee of the district, you are required to report any suspected child abuse or neglect to a district administrator. RCW 28A.400

M. INTERNET ACCEPTABLE USE POLICY
Employees must use the internet for educational or job-related reasons only. School district technology may not be used for: commercial solicitation; political, ballot or religious endorsement or opposition; disruption of the school's system; harassment; violation of copyright laws; or unauthorized access.

Users are responsible for the materials they transmit or store on the system. Employees are advised that internet and email use via the school district’s equipment or network are the domain of the school district and are subject to review by the district as appropriate.

Employees are prohibited from sharing accounts or passwords. Employees should close out accounts when not actively using the internet or email system. Account users are responsible for all activity under their account.

Employees should protect their personal information and not reveal such information as complete names, addresses, photos, or phone numbers while using the district’s system.

Employees and students are expected to notify a teacher or administrator whenever they come across dangerous or inappropriate material. Students must be supervised while using the internet at school.

N. PRIVATELY-OWNED PROPERTY
The district shall not assume responsibility for the maintenance, repair, or replacement of any privately owned property brought to a school or district function unless the use or presence of such property has been specifically requested in writing by the administration.

O. SAFESCHOOLS ONLINE TRAINING
The district requires all employees and substitutes to complete Safe Schools training sessions each year. The SafeSchools system will notify you when you are set up in the system and able to access the training sessions. The trainings are required to be completed within 30 days of the first day of work each year. Each training takes approximately 10-25 minutes. Please notify Kari Lucey in the Human Resources office when you have completed the training at (253) 566-5616 or x3314.
SCHOOL RESPONSIBILITIES

University Place principals and staff members recognize their responsibilities toward the substitute teacher and welcome substitutes to the University Place District.

1. Each building principal shall develop a Substitute Teacher’s Folder which will contain all schedules, duty assignments, and building procedures that might be of use to the substitute teacher during the day.

2. To assist our substitutes, we agree that: regular teachers who are absent have the responsibility of leaving clear directions for the substitute teacher, including a seating chart and lesson plans.

3. The building principal or authorized staff member will greet the substitute teacher and provide orientation as to the location of room and materials.

PERSONNEL PROCEDURES

A. APPLYING FOR A SUBSTITUTE TEACHING POSITION
Applications for substitute teaching positions (and contracted teaching positions) are available online at https://upsdjobs.myschooldata.net/.

B. ASSIGNMENT OF SUBSTITUTES
When called for a substitute assignment, the substitute teacher should give a definite and immediate answer as to whether or not he or she will be able to accept the assignment and should be sure that he or she knows what time the regular teachers and substitutes are expected to be in the building. If notification has been received early enough, substitute teachers are expected to be at the building 30 minutes before/after students. For more information, see “Arrival and Departure Time” in Section B of Responsibilities of Substitutes.

C. FEEDBACK
We believe it’s important to provide substitutes with feedback on their efforts. Feedback forms (see attached) are available to our administrators to enable them to provide such information to substitutes and to the district in a standardized format. All formal feedback will be prepared in multiple copies, one copy of which will be promptly sent to the substitute if it is not possible to share it immediately at the site. Obviously, it will not be possible to provide substitutes with regular feedback, but administrators are strongly encouraged to provide such information as often as is reasonably possible (see form).

D. COMPENSATION AND DEDUCTIONS FOR SUBSTITUTE TEACHERS
Substitutes will be compensated at the daily rate of $150.00 per day, $75.00 for a half day. Retired former UPSD teachers will be compensated at the daily rate of $185.00 per day, $92.50 for a half day.

Long-term substitute assignments (21 days or longer in the same assignment) must meet Highly Qualified criteria. Before accepting a long-term assignment, please check with our Personnel Technician to verify that you meet the criteria. Beginning on the 21st consecutive day in the same assignment, the substitute will be placed on the teacher’s salary schedule and paid a daily rate of 1/180 of what would be their personal contractual salary, retroactive to the first day. Substitutes who reach their 21st consecutive day in an assignment need to contact Pauline Collins, Personnel Technician, immediately at (253) 566-5600 Ext 3321. Compensation for long term substitute positions requires verification of original college transcripts and teaching experience.

When placed in a substitute position, the applicant should be certain that a Form W-4 and an I-9 are correctly filled out – including the Social Security number. Deductions are the standard Federal Government Income and Social Security Taxes.
Payment for service is by District warrant and is paid on the 15\textsuperscript{th} of the month for service through the last day of the preceding month. Warrants are mailed the day before pay day. Any questions that might arise in connection with compensation should be directed to the Payroll Office (253-566-5612) in the ESC (District Office).

**Substitute Service Credit With DRS**

State of Washington  
Department of Retirement  
Teachers’ Retirement System

Dear Substitute Teacher,

A Department of Retirement Systems Quality Project team reviewed the substitute teachers’ application process for purchase of service credit in the Teachers’ Retirement System and developed an application forms packet for this purpose. A copy of “The Substitute Teacher’s Guide to Obtaining Service Credit” packet is available in the payroll office.

The packet contains a Work Log for you to estimate the cost of your substitute service credit time. If you wish to apply for service credit, simply follow the instructions in your packet and return our application materials after the end of the school year, August 31 for TRS 2 and TRS 3, and June 30 for TRS 1. Workers’ Compensation Filing Information

IF A JOB INJURY OR DISEASE OCCURS:

University Place School District is subject to Washington industrial insurance laws and has been approved by the state to cover its own workers’ compensation benefits. Self insured employers must provide all benefits required by the laws. The Department of Labor and Industries regulates your employer’s compliance with these laws. If you become injured on the job or develop an occupational disease, you will be entitled to industrial insurance benefits. Your claim will be handled and your benefits paid by your employer.

IN CASE OF INJURY OR DISEASE:

REPORT YOUR INJURY OR DISEASE to your supervisor (listed below).

Your employer will provide you with information for completing the online “Self Insured Accident Report” (SIF-2). You should complete this form before you seek medical treatment, if possible.

In the event that you sustain an injury as a result of a third party who is not an employee of this organization, you may elect to seek damages from that third party. It is essential that you contact our claims administration office, Puget Sound Workers’ Compensation Trust, and advise them of the nature and cause of your injuries prior to entering into any agreement with the responsible third party.

GET MEDICAL CARE. You have the right to go to the doctor of your choice.

Complete a “Physician’s Initial Report” form at your doctor’s office. Have your doctor mail this form to your employer’s claims administration address listed below. The claims administrator will evaluate your claim for benefits. All medical bills that result from an allowable on the job injury or occupational disease will be paid by your employer. You may be entitled to wage replacement or other benefits. Your employer will explain this to you.

IMPORTANT:

*Your employer cannot deny you the right to file a claim, and your employer cannot penalize you or discriminate against you for filing a claim.* Every worker is entitled to workers’ compensation benefits for any injury or illness which results from his/her job.

*Any false claim filed by a worker may be prosecuted to the full extent of the law.*

If you have any questions or concerns, contact your employer’s representative (at the claims administration address or phone number below), or call the Department of Labor and Industries, Self-Insurance Section (360) 902-6901.

How Your Eligibility for Health Benefits will be Determined as a New Hire

Welcome to University Place School District!

To help you become familiar with our benefits, we would like to provide you with a brief explanation about your eligibility for health insurance. We will determine your eligibility for health benefits by tracking your hours of service during the school year every September to August.

**Your Eligibility Criteria:** to be eligible for health benefits through the State of Washington’s SEBB program, you must work 630 hours in the school year.

If you meet this eligibility criterion, then you will be eligible for health benefits and will be offered benefits. You must elect coverage, pay your share of premiums, and continue to be an employee during this period in order to maintain coverage.

If you do not meet this eligibility criterion, then you will not be eligible for health benefits unless you have a change in employment status that makes you eligible for benefits.

Should you have any questions, please contact Sydney Coyner in the payroll office.

Sincerely,

Sydney Coyner

Sexual Harassment of District Staff Prohibited

This district is committed to a positive and productive working environment free from discrimination, including sexual harassment. This commitment extends to all employees, coaches, volunteers, contractors and other persons involved in school district programs.

Definitions

For purposes of this policy, sexual harassment means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur student to adult, adult to adult or can be carried out by a group of students or adults and will be investigated by the District even if the alleged harasser is not a part of the school staff or student body. The district prohibits sexual harassment of district employees by other students, employees or third parties involved in school district activities.

Under federal and state law, the term "sexual harassment" includes:

● acts of sexual violence;
● unwelcome sexual or gender-directed conduct or communications that interferes with an individual's employment performance or creates an intimidation, hostile, or offensive environment;
● unwelcome sexual advances;
● unwelcome requests for sexual favors;
● sexual demands when submission is a stated or implied obtaining work opportunity or other benefit;
● sexual demands where submission or rejection is a factor in a work or other school-related decision affecting an individual.

A "hostile environment" for an employee is created where the unwanted conduct is sufficiently severe or pervasive to create a work environment that a reasonable person would consider intimidation, hostile, or abusive.

Investigation and Response

If the district knows, or reasonably should know, that sexual harassment has created a hostile environment, the district will promptly investigate and take steps to resolve the situation. If an investigation reveals that sexual harassment has created a hostile environment, the district will take prompt and effective steps to end sexual harassment, eliminate the hostile environment, prevent its reoccurrence and, as appropriate, remedy its effects.

Engaging in sexual harassment will result in discipline, up to and including discharge from employment, or other appropriate remedies, with the offending staff or third parties in order to correct and prevent the inappropriate behaviors.

Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement or Child Protective Services. Regardless of whether the misconduct is reported to law enforcement, school staff will promptly investigate and take appropriate steps to resolve the situation to the extent that such investigation does not interfere with an on-going criminal
investigation. A criminal investigation does not relieve the district of its independent obligation to investigate and resolve sexual harassment.

**Retaliation and False Allegations**

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. The district will take actions to protect involved persons from retaliation.

It is a violation of this policy to knowingly report false allegations of sexual harassment. Persons found to knowingly report or corroborate false allegations will be subject to discipline.

**Staff Responsibilities**

The superintendent will develop and implement formal and informal procedures for receiving, investigating and resolving complaints or reports of sexual harassment. The procedures will include reasonable and prompt time lines and delineate staff responsibilities under this policy.

Any school employee who witnesses sexual harassment or receives report, informal complaint, or written complaint about sexual harassment is responsible for informing the district's Civil Rights/Title IX Officer. All staff are also responsible for directing complainants to the formal complaint process.

Reports of discrimination and discriminatory harassment will be referred to the district’s Civil Rights/Title IX Officer.

**Notice and Training**

The superintendent will develop procedures to provide information and education to district staff, parents and volunteers regarding this policy and the recognition and prevention of sexual harassment. At a minimum, sexual harassment recognition and prevention and the elements of this policy will be included in staff and regular volunteer orientation. This policy and the procedure, which includes the complaint process, will be posted in each district building in a place available to staff, parents, volunteers and visitors. Information about the policy and procedure will be clearly stated and provided to each employee and reproduce in each staff handbook. Such notices will identify the District’s Civil Rights/Title IX Officer and provide contact information, including the coordinator’s email address.

**Policy Review**

The superintendent will make an annual report to the board reviewing the use and efficacy of this policy and related procedures.

Procedure Sexual Harassment of District Staff Prohibited

The procedure is intended to set forth the requirements of Policy 5011, including the process for a prompt, and thorough, investigation of allegations of sexual harassment and the need to take appropriate steps to resolve such situations. If sexual harassment is found to have created a hostile environment, staff must take immediate action to eliminate the harassment, prevent its reoccurrence, and address its effects.

This procedure applies to sexual harassment (including sexual violence) targeted at district employees carried out by students, employees or third parties involved in school district activities. The district has jurisdiction over these complaints pursuant to Title IX of the Education Amendments of 1972, Chapter 28A.640, RCW and Chapter 392-190 WAC.

Notice

Information about the district’s sexual harassment policy will be easily understandable and conspicuously posted in each school building in a place available to staff, parents, volunteers and visitors. Information about this policy and procedure will be provided to each employee and reproduced in each staff, handbook. In addition to the posting and reproduction of this procedure and Policy 5011, the district will provide annual notice to employees that complaints pursuant to this procedure may be filed at the University Place Educational Service Center, 3717 Grandview Drive West, University Place, WA 98466-2138.

Staff Responsibilities

In the event of an alleged sexual assault, the school principal will immediately inform: 1) the Civil Rights/Title IX Officer so that the district can appropriately respond to the incident consistent with its own grievance procedures; and 2) law enforcement. The principal will notify the targeted district staff person of their right to file a criminal complaint and a sexual harassment complaint simultaneously.

Confidentiality

If a complainant requests that his or her name not be revealed to the alleged perpetrator or asks that the district not investigate or seek action against the alleged perpetrator, the request will be forwarded to the University Place School District’s Civil Rights/Title IX Officer, Superintendent or Human
Resources Administrator for evaluation. The Civil Rights/Title IX Officer, Superintendent or Human Resources Administrator should inform the complainant that honoring the request may limit its ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator.

If the complainant still requests that his or her name not be disclosed to the alleged perpetrator or that the district not investigate or seek action against the alleged perpetrator, the district will need to determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students, staff and other third parties engaging in district activities, including the person who reported the sexual harassment. Although a complainant’s request to have his or her name withheld may limit the district’s ability to respond fully to an individual allegation of sexual harassment, the district will use other appropriate means available to address the sexual harassment.

Retaliation

Title IX prohibits retaliation against any individual who files a complaint under these laws or participates in a complaint investigation. When an informal or formal complaint of sexual harassment is made, the district will take steps to stop further harassment and prevent any retaliation against the person who made the complaint, was the subject of the harassment, or against witnesses who provided information. The district will investigate all allegations of retaliation and take actions against those found to have retaliated.

Informal Complaint Process

Anyone may use informal procedures to report and resolve complaints of sexual harassment. Informal reports may be made to any staff member. Staff will always notify complainants of their right to file a formal complaint and the process for same. Staff will also direct potential complainants to University Place School District’s Civil Rights/Title IX Officer, Superintendent or Human Resources Administrator. Additionally, staff will also inform an appropriate supervisor or professional staff member when they receive complaints of sexual harassment, especially when the complaint is beyond their training to resolve or alleges serious misconduct.

During the course of the informal complaint process, the district will take prompt and effective steps reasonably calculated to end any harassment and to correct any discriminatory effects on the complainant. If an investigation is needed to determine what occurred, the district will take interim measures to protect the complainant before the final outcome of the district’s investigation (e.g., allowing the complainant to change academic or extracurricular activities or break times to avoid contact with the alleged perpetrator).

Informal remedies may include:
- An opportunity for the complainant to explain to the alleged harasser that his or her conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the alleged harasser that the alleged conduct is not appropriate and could lead to discipline if proven or repeated;
- A general public statement from an administrator in a building reviewing the district sexual harassment policy without identifying the complainant.
- Developing a safety plan;
- Separating staff person; or
- Providing staff and/or student training.

Informal complaints may become formal complaints at the request of the complainant or because the district believes the complaint needs to be more thoroughly investigated. The district will inform the complainant how to report any subsequent problems. Additionally, the district will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems.
Formal Complaint Process

Level One – Complaint to District
Anyone may initiate a formal complaint of sexual harassment, even if the informal complaint process is being utilized. At any level in the formal complaint process, the district will take interim measures to protect the complainant before the final outcome of the district's investigation. The following process will be followed:

Filing of Complaint

- All formal complaints will be in writing and will set forth the specific acts, conditions or circumstances alleged to have occurred and to constitute sexual harassment. The Civil Right/Title IX Officer may draft the complaint based on the report of the complainant for the complainant to sign, review and approve. The superintendent or Civil Rights/Title IX Officer may also conclude that the district needs to conduct an investigation based on information in his or her possession, regardless of the complainant's interest in filing a complaint.
- The time period for filing a complaint is one year from the date of the occurrence that is the subject matter of the complaint. However, a complaint filing deadline may not be imposed if the complainant was prevented from filing due to: 1) Specific misrepresentations by the district that it had resolved the problem forming the basis of the complaint; or 2) Withholding of information that the district was required to provide under WAC 392-190-065 or WAC 392-190-005.
- Complaints may be submitted by mail, fax, e-mail or hand-delivery to the Civil Rights/Title IX Officer, University Place Educational Service Center, 3717 Grandview Drive, West, University Place, WA 98466-2138. Any district employee who receives a complaint that meets these criteria will promptly notify the Civil Rights/Title IX Officer.

Investigation and Response

- The Civil Rights/Title IX Officer will receive and investigate all formal, written complaints of sexual harassment or information in the Officer's possession that they believe requires further investigation. The Officer will delegate his or her authority to participate in this process if such action is necessary to avoid any potential conflicts of interest. Upon receipt of a complaint, the Officer will provide the complainant a copy of this procedure.
- Investigations will be carried out in a manner that is thorough and impartial. During the investigation process, the complainant and accused party or parties, if the complainant has identified an accused harasser(s), will have an equal opportunity to present witnesses and relevant evidence. Complainants and witnesses may have a trusted adult union representative with them during any district-initiated investigatory activities. The school district and complainant may also agree to resolve the complaint in lieu of an investigation.
- When the investigation is completed, the Officer will compile a full written report of the complaint and the results of the investigation.

Superintendent Response

- The superintendent will respond in writing to the complainant and the alleged perpetrator within thirty (30) calendar days of receipt of the complaint, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit. In the event an extension is needed, the district will notify the complainant in writing of the reason for the extension and the anticipated response date. At the time the district responds to the complainant, the district must send a copy of the response to the office of the superintendent of public instruction.
- The response of the superintendent or designee will include: 1) a summary of the results of the investigation; 2) a statement as to whether a preponderance of the evidence establishes that
the complainant was sexually harassed; 3) if sexual harassment is found to have occurred, the corrective measures the district deems necessary, including assurance that the district will take steps to prevent recurrence and remedy its effects on the complainant and others, if appropriate; 4) notice of the complainant’s right to appeal to the school board and the necessary filing information; and 5) any corrective measures the district will take, remedies for the complainant (e.g., sources of counseling, advocacy and other support), and notice of potential sanctions for the perpetrator(s) (e.g., discipline).

- The superintendent or designee’s response will be provided in a language the complainant can understand and may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964. If the complaint alleges discriminatory harassment by a named party or parties, the Officer will provide the accused party or parties with notice of the outcome of the investigation and notice of their right to appeal any discipline or corrective action imposed by the district.

- Any corrective measures deemed necessary will be instituted as quickly as possible, but in no event more than thirty (30) days after the superintendent's mailing of a written response, unless the accused is appealing the imposition of discipline and the district is barred by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded. Staff may also pursue complaints or grievances through the appropriate negotiated bargaining agreement process or anti-discrimination policy.

- The district will inform the complainant how to report any subsequent problems. Additionally, the district will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems.

**Level Two - Appeal to Board of Directors**

**Notice of Appeal and Hearing**

- If a complainant disagrees with the superintendent or designee’s written decision, the complainant may appeal the decision to the district board of directors, by filing a written notice of appeal with the secretary of the board within ten (10) calendar days following the date upon which the complainant received the response.

- The board will schedule a hearing to commence by the twentieth (20th) calendar day following the filing of the written notice of appeal, unless otherwise agreed to by the complainant and the superintendent or for good cause.

- Both parties will be allowed to present such witnesses and testimony as the board deems relevant and material.

**Decision**

- Unless otherwise agreed to by the complainant, the board will render a written decision within thirty (30) calendar days following the filing of the notice of appeal and provide the complainant with a copy of the decision.

- The decision will be provided in a language that the complainant can understand which may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act.

- The decision will include notice of the complainant’s right to appeal to the Superintendent of Public Instruction and will identify where and to whom the appeal must be filed. The district will send a copy of the appeal decision to the office of the superintendent of public instruction.
Level Three - Complaint to the Superintendent of Public Instruction

Filing of Complaint

- If a complainant disagrees with the decision of the board of directors, or if the district fails to comply with this procedure, the complainant may file a complaint with the Superintendent of Public Instruction.
- A complaint must be received by the Superintendent of Public Instruction on or before the twentieth (20) calendar day following the date upon which the complainant received written notice of the board of directors’ decision, unless the Superintendent of Public Instruction grants an extension for good cause. Complaints may be submitted by mail, fax, electronic mail, or hand delivery.
- A complaint must be in writing and include: 1) A description of the specific acts, conditions or circumstances alleged to violate applicable anti-sexual harassment laws; 2) The name and contact information, including address, of the complainant; 3) The name and address of the district subject to the complaint; 4) A copy of the district’s complaint and appeal decision, if any; and 5) A proposed resolution of the complaint or relief requested. If the allegations regard a specific person, the complaint must also include the name, address, and contact information for the alleged perpetrator.

Investigation, Determination and Corrective Action

- Upon receipt of a complaint, the Office of the Superintendent of Public Instruction may initiate an investigation, which may include conducting an independent on-site review. OSPI may also investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the superintendent or board.
- Following the investigation, OSPI will make an independent determination as to whether the district has failed to comply with RCW 28A.642.010 or Chapter 392-190, WAC and will issue a written decision to the complainant and the district that addresses each allegation in the complaint and any other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation the district must provide to demonstrate that corrective action has been completed.
- All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved, OSPI may take action including but not limited to referring the district to appropriate state or federal agencies empowered to order compliance.

A complaint may be resolved at any time when, before the completion of the investigation, the district voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

Level Four - Administrative Hearing

A complainant or school district that desires to appeal the written decision of the Office of the Superintendent of Public Instruction may file a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office’s written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, Chapter 34.05, RCW.

Other Complaint Options

OCR enforces several federal civil rights laws, which prohibit discrimination in public schools on the basis of race, color, national origin, sex, disability, and age. File complaints with OCR within 180 calendar days of the date of the alleged discrimination. 206-607-1600 | TDD: 1-800-877-8339 | OCR.Seattle@ed.gov | www.ed.gov/ocr

Washington State Human Rights Commission (WSHRC)
WSHRC enforces the Washington Law Against Discrimination (RCW 49.60), which prohibits discrimination in employment and in places of public accommodation, including schools. File complaints with WSHRC within six months of the date of the alleged discrimination. 1-800-233-3247 | TTY: 1-800-300-7525 | www.hum.wa.gov

Mediation

At any time during the complaint procedure set forth in WAC 392-190-065 through 392-190-075, a district may, at its own expense, offer mediation. The complainant and the district may agree to extend the complaint process deadlines in order to pursue mediation.

The purpose of mediation is to provide both the complainant and the district an opportunity to resolve disputes and reach a mutually acceptable agreement through the use of an impartial mediator. Mediation must be voluntary and requires the mutual agreement of both parties. It may be terminated by either party at any time during the mediation process. It may not be used to deny or delay a complainant’s right to utilize the complaint procedures.

Mediation must be conducted by a qualified and impartial mediator who may not: 1) Be an employee of any school district, public charter school, or other public or private agency that is providing education related services to a student who is the subject of the complaint being mediated; or 2) Have a personal or professional conflict of interest. A mediator is not considered an employee of the district or charter school or other public or private agency solely because he or she serves as a mediator.

If the parties reach agreement through mediation, they may execute a legally binding agreement that sets forth the resolution and states that all discussions that occurred during the course of mediation will remain confidential and may not be used as evidence in any subsequent complaint, due process hearing or civil proceeding. The agreement must be signed by the complainant and a district representative who has authority to bind the district.

Training and Orientation

A fixed component of all district orientation sessions for staff and students will introduce the elements of this policy. Staff will be provided information on recognizing and preventing sexual harassment. Staff will be fully informed of the formal and informal complaint processes and their roles and responsibilities under the policy and procedure.

Certificated staff will be reminded of their legal responsibility to report suspected child abuse, and how that responsibility may be implicated by some allegations of sexual harassment.

As part of the information on the recognition and prevention of sexual harassment staff, volunteers, students and parents will be informed that sexual harassment may include, but is not limited to:

- Demands for sexual favors in exchange for preferential treatment or something of value;
- Stating or implying that a person will lose something if he or she does not submit to a sexual request;
- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;
• Making unwelcome, offensive or inappropriate sexually suggestive remarks comments, gestures, or jokes; or remarks of a sexual nature about a person's appearance, gender or conduct;
• Using derogatory sexual terms for a person;
• Standing too close, inappropriately touching, cornering or stalking a person; or
• Displaying offensive or inappropriate sexual illustrations on school property.

Policy and Procedure Review

Annually, the superintendent or designee will convene an ad hoc committee composed of representatives of certificated and classified staff, volunteers, students and parents to review the use and efficacy of this policy and procedure. The Civil Rights/Title IX Officer will be included in the committee. Based on the review of the committee, the superintendent will prepare a report to the board including, if necessary, any recommended policy changes. The superintendent will consider adopting changes to this procedure if recommended by the committee.

Revised Dates: 08.06; 10.11; 03.14; 01.15; 06.15; 11.15
