Fax: (239) 694-4089

November 20, 2021

Prospective Fifth Grade Families:

Oak Hammock Middle School would like to invite you to our Academic and Arts Information Night, December 14th at 6:00 p.m. During this presentation, we will share information about our International Baccalaureate (IB) programme, provide details about our arts programs and Center for the Arts auditions, explain the benefits of our full-time gifted program, and present information about our AVID program. A question-and-answer session will follow to ensure you have all the information you need to make a quality decision when it comes to your student's middle school selection.

We will also host a full Open House Night on January 20th at 6:00 p.m. This event will feature tours of the campus, allow your students to explore our clubs and activities, as well as provide additional opportunities to hear about our full-time gifted program, IB, arts, AVID, athletics, and other academic services provided. Oak Hammock's mission is to provide an academically focused environment through arts integration and globally minded challenges, empowering each of our students to reach their highest potential. We hope you will join us for both events in December and in January to see our mission in action. Joining us both nights will give you the opportunity to ask questions in a smaller setting in December and then view and hear about our school, in its entirety, in January.

You can also find Open House information on our website at <https://ohm.leeschools.net/> and on our Facebook page at <https://www.facebook.com/OakHammockMiddleSchool>.

We look forward to meeting you soon!

Sincerely,

Jennifer McMillan Barnes
