

Inscripción en línea de estudiantes Skyward Family Access

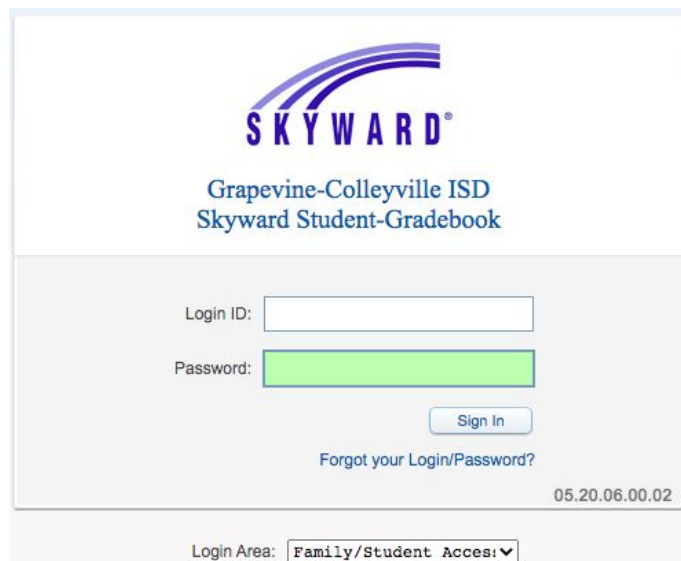

Cómo procesar la inscripción en línea de su estudiante en Skyward.

La inscripción en línea se debe completar antes del inicio del nuevo ciclo escolar para cada estudiante ya sea nuevo o que regresa al distrito. El proceso de inscripción le permite confirmar que la información que tenemos en nuestros expedientes es correcta. Los padres y tutores de la familia principal del estudiante tendrán acceso a la inscripción en línea. La **familia principal** del estudiante es aquella con la que el estudiante reside principalmente y a quien se asignó el domicilio de residencia del estudiante. Las familias secundarias y los padres o tutores de esas familias podrán usar Family Access, pero no necesitan completar el proceso de inscripción en línea.

Inicie sesión en su cuenta de Family Access a través de www.gcisd.net. Haga clic en el icono de Skyward situado en la parte superior del sitio web de GCISD.

Introduzca su nombre de usuario o su identificación para iniciar sesión y su contraseña de [Skyward Family Access](#).
